Cádiz Cathedral

Puerto de Santa María

Coto de la Isleta

Coto de la Isleta is an Environmental Education Centre, 8 hectares, located at the gates of the **Bahía de Cádiz Natural Park**: Everglades, Salt marshes, Beaches and Pine forests ensure the enjoyment of nature. It is a few minutes from the centre of El Puerto de Santa María.

El Puerto de Santa María is a town with all the essence of Andalusia. Visiting the charming fishing port, strolling along its narrow streets, approaching the market, listening the nice accent of its inhabitants, swimming and sunbathing on its sandy beaches and going to Cadiz in the famous " steamer " ship, are some of the activities that make this city unforgettable.

Coto de la Isleta is a fantastic modern center that offers students a variety of adventure activities. It is distributed around a central square which connects with the cabins, the classrooms and the activities areas: climbing wall, pier, rope bridges, pool, etc.

Santa Clara Cloister

Santa Clara Gardens

Main Entrance

Santa Clara School is an architectural element with great artistic value. It is located in a former convent from the XVI century which was built over several centuries, where Mudejar, Renaissance and Baroque styles can be appreciated.

It is situated in **Palma del Río**, in the heart of Andalusia, a very quiet and safe town where it is a pleasure to walk along the streets and taverns. Its location is ideal to visit the surrounding cities of Seville, Cordoba and Granada, as well as it offers many varied tourist sites and activities in the area.

Santa Clara School allows students to learn Spanish in a relaxed atmosphere, surrounded by culture, history, gardens and fun.

The special Multiactivity program will make Spanish language students not to forget their stay in Santa Clara School.

The historic complex of **Santa Clara School**, reformed in 2013, invites to study Spanish in a very relaxed environment. The broad classes are spread around the beautiful Cloister. Students can enjoy its gardens at day time. Students will spend pleasant evenings at night in the typical patios surrounded by beautiful orange trees where they will continue learning and practicing Spanish.

When visiting **Córdoba, a World Heritage City**, students can walk along the streets and taverns in the Jewish quarter, visit the Patio de Los Naranjos in the Mosque of Cordoba, cross the Roman Bridge or visit the Synagogue, a symbol of a mix of cultures.

Malaga is the best place to do the typical activities that all Spanish language students want: go to the beaches of the Costa del Sol, stroll along the promenade, having grilled fish in a beach bar or go to nearby towns.

Furthermore with Mosaico Spanish Courses they will also meet the modern Malaga: its new development area next to **The Harbour** (El Palmeral), the **Picasso** or the **Tyssem** Museum and many beautiful corners of the city . All this is included within a multi-activity program to know Spanish language and customs.

Tailor Made Available All Year.

Corporate Social Responsibility

Our first aim is to achieve the personal development of our students, staff and suppliers, as well as the creation of a fairer society.

We believe that knowing, respecting and appreciating the cultural diversity of our students, along with the promotion of the Spanish, is the best way to contribute to a system of international relations.

We support the consumption of renewable energy and material, the development of the communities where we are working in and we are really committed to the compliance of our legal obligations.
