

WHAT OUR STUDENTS ARE SAYING:

"IELP is very important for me because I need to work in USA. This course is very good and difficult. I'm learning English more and more every day. It is an immersion program in the English language and this is very, very efficient. I like and I recommend.."

"The field trips are a good way to learn about American culture and custom. We come from different countries, so we learn about different people...I feel like I am in the United Nations."

"English is a very important language. All people are learning English in my country. I want to learn English for business. All big corporations are working internationally. If you want to work for big corporations you should know English. IELP is a very good course for

"I`m an IELP student at CCSU. I`m glad to be a student of CCSU. When I came here one year ago I didn`t know any English words. After one year I learned a lot of English knowledge. Now I`m also studying Engineering classes. If you study carefully and attentively, you can do it. This IELP program is very successful. Teachers are

INTENSIVE ENGLISH LANGUAGE PROGRAM

New Britain, Connecticut, USA

Start with a dream,
finish with a future...

PROGRAM DESCRIPTION, DATES, PRICES

The Intensive English Language Program at Connecticut State University:

Committed to excellence in English and intercultural studies through a variety of experiences inside and outside the classroom, the IELP delivers instruction within a **supportive** environment. **International and local** students develop language proficiency while gaining cultural **insight**.

Cost Effective Intensive English Language Programs:

Achieve the skills, fluency, and **confidence** you need to communicate effectively in English in the 16-week Intensive Program designed to help you. Improve your overall abilities in both spoken and written English with the most instructional **time for your money**. Completing the program ensures you'll be better **prepared** to use English for work, for study, for life!

Start from anywhere! Advance through six levels of instruction, 20 hours per week in the classroom, Language Lab and Resource Center. University Tutors,

Academic Coaches and friendly staff are all here to help! Courses emphasize **small group instruction** with 21st century communication technology and **real-world materials**.

LOCATION

The southernmost of the New England states, Connecticut provides a wealth of social and cultural activities for visitors. The state's rural beauty is balanced by its close proximity to New York City and Boston, Massachusetts. It is an ideal location for students who enjoy quiet surroundings, but who wish to be near to some of the greatest cultural assets the United States has to offer.
