MY EXPERIENCE AT ILAC

“I really like my program, the excursions and the architecture of the city. It’s not difficult to understand things in the language classes and speaking is easy. The teachers are very kind and helpful to me. They ask me lots of questions about where I am from, our food and our language. My favourite part of ILAC was going to Wonderland, it was awesome!”

RENATA / Ukraine

“My favourite thing about ILAC is speaking with people from lots of different countries. I have visited Wonderland and the CN tower, which had a very beautiful view. We mix learning English with social activities and it’s good. I want to come back and study further at ILAC. ILAC is a good school because I meet lots of people and the teachers here are cool.”

GAUTHIER / France

“I have always wanted to visit Canada. It has been really fun. It’s my last week and I don’t want to go home. We are preparing for the IELTS exam but we have lots of fun during the class and everyone is so friendly. I really like the activities, especially Wonderland and the teen social parties. My dream is to study international relations in Canada at the University of Toronto.”

ELIF / Turkey

“I came here with a group and a group leader who is my mom’s friend. She told us that ILAC is a very good school. I like it here so far and I like the city. The teachers are friendly; I am learning grammar and vocabulary. When I am older my dream is to become a hotel manager so I want to study hospitality. I think that learning English will help me to get there.”

KAI JUNG / Taiwan

“I think the best places to study English are England and Canada but Canada is cheaper. It’s very interesting, we have a lot of listening reading and grammar exercises. My favourite thing about ILAC was going to play laser tag. My dream is to study at the University of Toronto when I complete high school.”

DANIIL / Russia

“I came from Ukraine with a group of teens. I’m here for the third time already. Our company has been sending students to ILAC for about 10 years. Year after year there are vivid improvements. The staff gets better every year. The program is interesting, with wide exploration opportunities for the teens. They get the chance to see the majority of sites of Toronto and the main sites of the region, such as Wonderland and Niagara Falls. We tell our students that ILAC is the best school in Canada. ILAC stands out from other international language schools because it is big and has lots of facilities, including, schools in Toronto and Vancouver, so the students have a choice to visit two different cities in Canada. The most valuable thing that ILAC has as a company is its staff. I like the flexibility of the staff and their ability to listen to the opinions of our people and the ability to change. There is no stubbornness. I’m very satisfied”

OLEK / Group Leader / Ukraine
