ABOUT ELC

The English Language Center (ELC) is located in the heart of America in Edmond, Oklahoma. Edmond is just a few miles north of Oklahoma City, the state's capital. Edmond offers the convenience of urban living, with easy access to shopping, sports, fine dining, and the arts. Edmond was recently voted the #1 suburb in America by CNBC for its safety, affordability, and availability of services and amenities.

ELC is directly across the street from the University of Central Oklahoma and within a 20 mile radius of a number of other universities, allowing for endless opportunities upon graduation from ELC.

ELC uses the communicative method, which allows students to immediately practice their developing skills in ways that are memorable and effective. We specialize in preparing students for American universities, TOEFL and IELTS examinations, verbal proficiency, and academic writing.

ELC's multi-lingual, multi-ethnic staff uses their international experience to make the learning process effective for each student.
