Our group courses

We offer Spanish courses for groups throughout the year that are customised to suit the individual needs and requirements of different groups of students, different interests, ages and programme lengths.

We aim to provide effective language learning and an enjoyable and rich cultural experience in Spain within a limited timescale.

We have wide experience in organizing study trips for groups.

You can let us plan everything for you, we'll take care of all aspects of the group stay: the course, the accommodation, the activities, the transfers... every little detail.

We cater for groups of any size from 8 students upwards. Normally our group programmes last from 1 to 4 weeks.

We accept students from 10 y.o. to any age.

Two unique school buildings set in the very heart of Valencia city centre

We can customize the programme as much as you want and will do our best to make it work for you!

The Spanish course

Closed groups

Classes are normally organized in single nationality classes. The class content can be adapted to the student's needs or to exam preparation.

Before coming, teachers or group organizers can let us know the areas in which students need to improve or which skills are more important for them, so that we can arrange the class programme together.

We can also test the students and determine the best academic programme for them depending on their knowledge and interests.

International classes

Students of 16 y.o. or older can also be mixed in the international groups in different classes depending on their levels.

Students usually take 20 lessons per week although we can arrange more or lessons depending on the group needs and the time available.

Lessons are fun and interactive with a high level of student involvement

Practical language learning

A well-structured language programme

Accommodation

Group accommodation is provided with carefully selected Spanish host families, in university halls of residence or in a hostel in the city centre.

Students normally have double or triple rooms (multi-bedded in the hostel) including breakfast and evening meal or full board. Lunch can be packed or hot.

➔ Host family

ideal for students who wish to immerse themselves as much as possible in the Spanish culture. Students will enjoy a family atmosphere where only Spanish is spoken.

➔ Residence

in the university campus near the beach. It's possible to organize the lessons in the residence.

➔ Cosy hostel

with a very familiar atmosphere, just 5 minutes walking to the school.

Non-European Community nationals should have an international health insurance policy that is valid for Spain.

Health insurance is essential for all students, full private insurance is always recommended (travel, cancellation, property loss, etc.). Make sure that the medical insurance covers all possible emergencies.

Españolé offers the possibility of arranging a medical insurance for the students at an extra charge.
