FLY EXPERIENCE

Fly Experience specializes in offering full immersion language programs to young students looking for an academically fulfilling summer experience. Each of our tailored programs has been carefully selected for their quality, experience and recognition and is regularly monitored by our senior staff members.

Whether you are looking for an immersion program to learn French or English, we have the perfect international adventure for you.

LANGUAGE PROGRAM - FRENCH OR ENGLISH IMMERSION

We offer short or long term language courses and total cultural immersion. French and English classes are offered at different levels. Students take a placement test upon their arrival to determine their language level. Our courses focus on all aspects of language: reading, writing, speaking and listening. They include:

- Qualified and experienced native speaker school teachers certified by the Quebec Department of Education
- 15 hours of formal instruction and pedagogical activities per week
- Student-centered approach to learning
- Class material presented in an interactive manner
- 12 students per class
- Free membership to our ChallengeU interactive interface (BYOD)
- Official FLY language certificate upon program completion
