Letter from the principals

Whether you come as a family or to our teenager summer camps, in London or in Dublin, we hope you will have a great experience at Frances King. Our aim is to provide enjoyable learning experiences of lasting personal value, with an emphasis on spoken English.

We want all participants to have the time of their lives - an exciting and enriching experience! We strongly believe that learning should engage students' interests. Some programmes offer options, in others we offer exciting activity programmes. We use the resources of the wonderful cities where our schools are situated, while taking every precaution to ensure the safety and wellbeing of participants throughout their stay.

We will make every effort to integrate different nationalities, help students make friends with each other and leave knowing that they now have friends across the world.

Best wishes for a wonderful stay at Frances King!
