GRANADA

Mountain and coast | *Culture and tradition*

Granada is situated in the south east of Andalusia and has a population of 280.000. It is an ideal site for winter sports, being 36 km away from the winter resort of Sierra Nevada whose sports facilities are one of the most attractive of Europe.

Furthermore, it is only 70 km away from the Costa Tropical: **beaches and good weather just nearby!**

***Granada, the Moorish city.** It was the last kingdom to be reconquered by the Christians from the Moors. Its Moorishness is evident throughout the town, but especially in the Alhambra Palace and Generalife, one of the most visited monuments in the world. On the opposite hill you will find the Albaicín, the ancient moorish quarter with its narrow cobbled lanes and squares and traditional houses.*

A place for Flamenco, centred on the district of Sacromonte, inhabited by gypsies who have become singers, dancers and guitarists. They have spread their art throughout the world.

The University and its atmosphere, with one of the oldest Universities in Spain (over 500 years old) where you can study almost any of the public degree options. At the moment, it has around 60.000 students.

A cultural town. Apart from **Semana Santa** (Easter) and **Fiestas del Corpus**, other events stand out: a **Jazz Festival** (autumn), **The International Festival of Theatre** (spring) and the **International Festival of Music and Dance** (spring). As well as these events theatrical representations, concerts and flamenco shows, etc., occur throughout the year at the Manuel de Falla cultural center, the Palacio de Congresos and in various other centers created for these purposes.

Legal information about Private Schools "Not regulated teaching Agreement":

As all the private schools whose rules aren't imposed by the government, Instituto Mediterráneo Sol has its own certificates (attendance and aptitude), that means that they neither are issued nor recognised by any official organization. Instituto Mediterráneo Sol is a centre not owned by Consejería de Educación and Ciencia de la Junta de Andalucía or any other public organization. Even so: The levels in our Attendance and Aptitude Certificates, as the course programme and the general and specific goals per level that we want to achieve through the same, fit the European Common Reference Framework for Languages and the Curricula Plan of Instituto Cervantes.

METHODOLOGY

Developing a direct, situational and communicative method

- ✍ Teaching is carried out entirely in Spanish and without using any other language support.
- ✍ Vocabulary and Grammar are studied in a contextual way, placing particular emphasis on the students' participation both in the oral and in the written production.
- ✍ Exercises on the different grammatical structures, dictations and readings, paying special attention on the phonetics and pronunciation, and encouraging free or directed conversation, always with the teacher's corrections.
- ✍ Before starting the lessons participants will have to do a language test. As the classes are structured in blocks depending on the number of lessons of the course, one more grammatical and the other more of oral production, there exists the possibility of differentiating the levels between both parts, therefore participants could join two different group depending on their levels of grammar and conversation and vocabulary.
- ✍ Groups will be officially set on Tuesday.

TEACHING STAFF

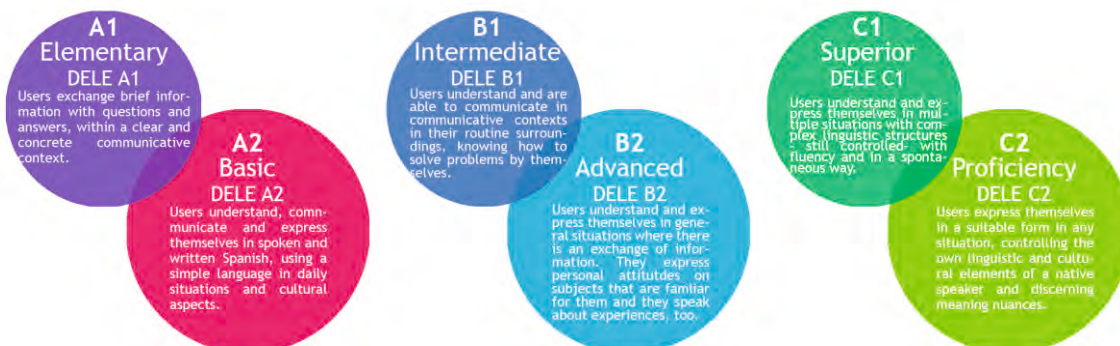

Highly qualified professionals

To carry out this methodology, Instituto Mediterráneo Sol has a group of very professional and dynamic teachers, graduates and with methodological preparation specifically provided by our center to teach Spanish to foreigners.

❖ **Supplements**

- **Extra Night:** The week of accommodation begins on the Sunday before the start of the course, and ends on the following Saturday. When participants arrive before or leave after these days, they will have to inform the school for availability and then pay the respective extra nights (**see price list**).

- **Accompanying person:** Participants can come with other people who don't wish to attend a course. They will have to pay the price for their chosen accommodation plus 45 € per week. This will allow them to participate in all the free-of-charge activities organized by the school and to use other services from the school such as the internet access.

- **Deposit:** On the first day of class participants must leave a deposit of 60 € in the school (or its equivalent in their country's currency) to be held for the duration of the course. This deposit will be refunded in full at the end of the stay after the safe return of everything lent by IMSOL for the course and/or accommodation: books, films, novels, DVDs, blankets, sheets, keys, etc. . If the participant, because of misuse or negligence, causes without justifiable reason, any type of damage to this material or the accommodation, the price of replacement or repair will be deducted from this deposit.

- **Pick-up Service for Individual Stays:** Instituto Mediterráneo Sol can arrange a pick up service from the airport direct to the chosen accommodation. This service is made by professionals of the Spanish transportation sector- i.e., taxi drivers- and the price will depend on the arrival/departure airport and the city where the course will be made (**see price list**).

❖ **Organization and class schedule**

Every lesson has a duration of 45 minutes. The classes will be carried out interely in Spanish from the first day and without using any other language. IMSOL teaching staff are all native Spanish speakers.

The **maximum** number of participants per class is **8** and the **minimum is 2**. If the minimum number cannot be reached, the participants will receive a 50% of the lessons in an individual way and without paying the difference of the price, always taking care of the participant, following these rules:

- Course of 20 lessons in group shift to 10 individual lessons.
- Course of 25 lessons in group shift to 13 individual lessons.
- Course of 30 lessons in group shift to 15 individual lessons.

5th and 6th lessons.

If the participant is the only one who has 5th and 6 th lessons, the lessons change as follows:

- 5 lessons in group shift to 3 individual ones
- 10 lessons in group shift to 5 individual lessons.

In any case, the participant has not to pay the difference of price.

The classes will be timetabled either in the morning or in the afternoon / evening, from Monday to Friday, except holidays.

Bank holidays: The bank holidays in the Spanish Labour Calendar are: 1 January, 6 January, 28 February, Monday or Holy Thursday, Holy Friday (Easter), 1 May, 15 August, 12 October, 1 November, 6 December, 8 December, 25 December, plus two local holidays.

The Spanish Labour Laws say holidays falling on Sundays will be celebrated on the following Monday.

When there are two bank holidays in the same week, IMSOL only takes one of them.

There are no classes on these days, no replacement classes are offered (except for the individual courses and Group Stays) and there is no refund for lost classes.

❖ **Teaching Material**

Instituto Mediterráneo Sol provides the participants (as a loan service) with all the necessary teaching material during the course: books, complementary material, NOT DICTIONARIES. For this it is necessary to leave a deposit at the secretary's office on the first day of the course.

❖ **Accommodation**

A week's stay begins on the Sunday before the start of the course (from 16.00 hrs.), and ends on the Saturday, just after the end of it (before 12.00 hrs.). Any arrival before or departure after that which has been established must be made clear to the school and the extra nights paid depending on the type of accommodation.

All information concerning accommodation will be sent to the participant not less than one week before the arrival date and always after having received the prepayment of 100 € (for Group Stays, the amount previously arranged).

❖ **Arriving late or Leaving early**

The minimum stay for the course (except for individual lessons) and for the accommodation is 1 week. The later arrival or earlier departure with respect to the dates confirmed by the school does not imply any discount or refund on the price of the stay. Neither will it be possible to extend the length of the course or the accommodation for the above reasons.

❖ **Cancellation Conditions**

IMSOL Cancellation Conditions are:

1. Cancellations will be accepted only when the participant provides evidence of justifiable reasons for doing so.
2. The school must receive notification of a cancellation at least 15 days before the start of the course and in writing via e-mail, fax or letter. Then we will send confirmation of receipt. The school will take into account the date of delivery, not the date of posting.
3. **Refunds:** If the notification of cancellation is received:
 - **15 days or more before** the start of the course, the school will refund **all** money paid **except** the prepayment, i.e., 100 €
 - **Between 15 and 5 days before the start of the course**, the school will refund 50% of the money paid if this amount is higher than the prepayment (100 €).
 - **Less than 5 days before the start of the course or after the start of the course**, the school will not refund any money paid.

❖ **Change of destination, course and/or accommodation**

- **BEFORE ARRIVAL:** If after sending the inscription, participants wish to change location, type of course, accommodation or dates, they will have to inform the school in writing via e-mail, fax or letter at least two weeks before the start of the course (in high season, one month before) in order to assure the change. If the participant applies for a change less than 2 weeks before the start of the course, this will not be accepted. In case of cancellation of the booking, cancellation conditions will be applied.

- **DURING THE STAY:** postponement of the course: If for justifiable reasons participants (serious illness of the participant or his relatives – mum, dad, son/daughter, brother/sister) cannot carry out their stay in full as booked, they must provide proof with the corresponding document if possible. In this case, participants will have the possibility of postponing their course (for a minimum of 1 week and up to a maximum of 12 months) without losing any money at all on the course (participants will only have to pay the difference in price if the course takes place in a different year and IMSOL's prices have changed) but on the accommodation. Change of courses: if the participant, when the course has still started, would like to change it, this change will be possible if the following circumstances will be fulfilled:

- The course that the participant wants to attend, has to be active in that period and has to include the minimum number of participants
- The duration of the course has to be the same as the one in the previous course.
- The cost has not to be inferior of the previous course. If it is longer, the participant has to pay the difference.
- The change has to be permitted by headquarters and central office of the school.

In both cases (BEFORE ARRIVAL and DURING THE STAY) participants will loose any money paid for the accommodation. All changes of the former inscription will always be subject to availability at the moment of informing the school.

❖ **Stay Extensions**

If participants wish to extend the length of their course or attend a different one, it will be possible if there are free places. The same will happen with accommodation. For this reason it is important that the school has this information at least 1 week before the end of the first course.

❖ **Complementary Courses**

IMSOL will provide the participants with all the information concerning complementary courses, such as, guitar, windsurfing, flamenco, scuba diving, etc. which they wish to follow and will also be the intermediary if participants require it. But IMSOL WILL NOT assume any responsibility for these courses, because it is not the school that organizes or programmes them, but specialized organizations external to the school.

❖ **Health and Travel Insurance**

Instituto Mediterráneo Sol advises participants to bring, at least, a health insurance with them, and a travel one if they want it too. Those who come from the European Union can make use of the European Health Insurance Card, formerly called the E111.

The school can arrange insurance with a Spanish company if it is required.

❖ **Behaviour and Conduct Rules**

If participants misbehave, have bad manners; are disrespectful to their schoolmates, teachers, etc. or break the school rules in class and/or their place of accommodation, the school will inform them verbally and in writing of the possible consequences of behaving that way. If their conduct does not change after this first warning, the school will start with the expulsion procedure if it is necessary and always in accordance with the current Spanish legislation.

In the case of breaking a local, national or international law during the stay, IMSOL will take all the necessary steps according to the seriousness of behaviour.

The expulsion of any participant implies the loss of any right to receive any kind of refund.

All the expenses caused by the participant's behaviour (damage compensations, fines...)will be satisfied by the participant and, in case of underage participants, by their parents or legal guardians.

❖ **Complaints and Conflicts Resolution**

Instituto Mediterráneo Sol can manage all the necessary procedures to solve any problem that may occur during a participant's stay at their earliest convenience. Participants will have to communicate their complaints in writing. Subsequently, the school will have to reply under the same conditions. In the case of not reaching a total agreement between both parties (school & participant):

- The problem will be submitted to the authority of *la Junta de Arbitraje de Consumo del Ayuntamiento* (The Consumers' Arbitration Department of the Provincial Government)
- IMSOL also has at your disposal if they should be required, in the secretary's office:
 - AEEA (Association of Andalusian Spanish schools) *complaint forms* which will be sent to an official Student defence lawyer.
 - The *Official Complaint Forms of Junta De Andalucía* (Andalusian provincial Government) which, in accordance with the law, has to be at the clients disposal in every establishment.

IMSOL will not accept any claim and/or complaint made after departure that was not made clear to the school during the participant's stay in a written form as it would therefore not have been possible to carry out any procedure to resolve the problem in time.

❖ **Publicity/Advertisement**

IMSOL is not responsible for any advertisement made by others concerning the school.

The very fact of enrolling and attending a course implies the acceptance and fulfilment on the part of the participant of all the Information and General Conditions included in these pages. Instituto Mediterráneo Sol s.l. reserves the right to change or modify anything expressed in these pages whenever there is a justified reason for doing so.
