

COURSES FOR SENIORS

These courses are drawn up for people from 50 years old who wish to learn or improve their Spanish.

- Courses consist of **10 lessons of 45 minutes each per week (2 lessons / day) from Monday to Friday** (except bank holidays) and with a minimum duration of 1 week.
- **Methodology is dynamic and communicative.** The classes are interactive and focused on practical, every day situations essential for short or long stays in Spain. We work with an up-to-date course material suitable for participants on this age.
- As the other courses, participants will have to undergo a **language test on the first day** of the course, in order to see the approximate level. At the end of the course, participants will also receive an **IMSOL Attendance Certificate**.
- To enhance the learning experience and the time with us in Spain, we also offer a **daily program of recreational and cultural activities** and excursions at the week-ends.
- With **a minimum of 5 participants coming together**, we can organize a **"tailor made program"** and with the activities and / or complementary courses they wish to do. For this, it is necessary to require an estimate.
- **Accommodation:** Instituto Mediterráneo Sol can also arrange accommodation. It is possible to come with an accompanying person who does not wish to attend a course. Participants can choose among the following types:
 - Reservation of **"Individual" apartments**.
 - Reservation of **Hotel / Hostel / Inn**.
In the above two options the reservation is made according to the wishes of the participants and at least one month in advance.
 - **Home-Stay Accommodation:** This type of accommodation means a private household with meal (half board breakfast and lunch or dinner and full board breakfast, lunch and dinner). In single, double (2 individual beds) or triple (3 individual beds). These last two options for people who come together.
 - **Shared apartment:** in single or double room (for people coming together).
