# Welcome to Kaplan. Welcome to your new world.

Open the door to another language and you open the door to another culture, another way of thinking. Knowledge of English comes not just with the essential language skills learned in the classroom, but also with a sense of achievement and inclusion in the increasingly global culture of the world.

Our mission is to ensure that our students take full advantage of every moment of their learning experience. Our courses, our exclusive K+ teaching method, and our focus on connection-building and social learning inspire students to feel at home in another country – to feel at home in another language and culture. We don't just want them to do well in class; we want them to succeed everywhere beyond.

People who speak more than one language have more opportunities and face better career prospects than those who don't. They have a different view on the world and an invaluable ability to communicate with others.

We want to help you open these doors. We want to take you on this global journey. We're extremely proud of what our students have done and what they will go on to do. It is with great pride that I welcome you to Kaplan International.

# 4 YOUR KAPLAN JOURNEY STARTS HERE

From the day you arrive to the day you finish your course we'll be there to help, and to make sure you get the very best from the amazing experience of learning English in another country. Here's how...

## 2 Meeting you at the airport

A friendly face in a foreign country is always welcome. So how about a personalized transfer service to meet you at the airport the moment you touch down? If you choose, we can arrange for a trusted driver to pick you up and take you straight to your accommodation.

## 1 Getting ready to leave

You'll have lots to do before you leave, so our advisors will be there to help you along the way. We'll send you information about your course, living costs, insurance, paperwork you might need for your visa and even what to pack.

**Make friends!**  
Meet students from around the world

## 3 Seeing your new home

We know you'll love it because we are committed to finding you the right accommodation, whether you want the independence of a student residence, where you'll live around other students, or the comforts of staying in a homestay, with the chance to live with locals and truly immerse yourself in the culture. We inspect all of our accommodation options regularly and have staff at the school to help you with any questions.

## 5 Your first classes

The start of a fantastic experience—superb, modern facilities, educational excellence and friendly staff determined to make you feel at home. We pride ourselves on having outstanding teachers who love teaching international students. You will be made to feel comfortable in class, and share your learning experience with students with a similar level of English from all over the world. We'll encourage and help you every step of the way and with our *K+* learning system you'll make rapid progress towards your goals.

### **Small groups!**

*Enjoy individual guidance in small classes*

## 6 After classes

It's not all study. Every school runs a social program that makes the most of the city and sights around it. Explore a new country, enjoy trips and activities with friends and practice your English in a relaxed and informal way. All our schools have a 24-hour support number that puts you in touch with a staff member should you need any assistance in the event of an emergency.

## 4 Your first day

You'll have lots of time to settle in before lessons start. Take your time meeting everyone, finding your way around the school and discovering the local area. We'll determine your English level to make sure we put you in the right class, then give you a personal timetable so you are ready for your lessons.

## 7 Your last day

Congratulations, you've achieved something truly worthwhile – a set of English skills that can take you to university, a great job, or around the world. You'll have a Kaplan Certificate to prove it, a network of new friends to celebrate it, and amazing memories that will last forever.

**WELL DONE.** You've come such a long way. Your new life in English begins now!

# WHY CHOOSE KAPLAN?

## 5 University Placement Service

We have a wealth of experience guiding students through university admissions. Take advantage of our network of partner institutions, and get personalized guidance to help select the best university for you.

## 2 Our teachers

The difference between a good and a great teacher can be the difference between learning a language and loving a language. All our teachers are fully qualified and passionate about helping you reach your goals. It is their role to teach, support, and motivate you along every step of your English journey.

## 3 Carefully chosen accommodation

Every school has experienced accommodation staff who are there to help you. We handpick our accommodation, prioritizing quality, convenience and access to public transport. Student residences are located in safe and welcoming areas of town, and our homestay hosts are visited and assessed to ensure comfortable and welcoming surroundings.

## 6 Our locations

When you study in another country, you want to make the most of your experience. Our schools are in safe and conveniently located areas, meaning you're at the heart of the action once classes are over. With schools in major cities, central business areas and by the beach, you can choose a location which is fast-paced and dynamic, peaceful and relaxed, or somewhere in between.

### 8 Experience

Kaplan began teaching students over 75 years ago. All this experience means we know exactly how to help you get the best out of your studies. You will make real progress with your English language, whatever level you start from. Once your course is completed, you will be given a Certificate of Achievement to demonstrate your success.

### 7 Tailored Services

Our courses and packages are designed to adapt to your needs. Whether part of a group or as an individual, the range of locations, lessons, supplements and learning materials we offer allows every student to find a study package that fits with their goals and aspirations.

# THE KAPLAN LEARNING METHOD

## YOUR LESSONS

Kaplan teachers use a range of highly effective exercises to keep classes interesting, engaging and challenging, allowing you to focus on everything from improving your pronunciation to broadening your vocabulary to mastering grammar. Our *K+notes* course books and interactive whiteboards will develop your reading and writing skills and encourage you to speak English confidently inside the classroom and beyond.

### Our *K+notes* course books

We regularly update our course books to reflect popular culture and current affairs. That means they're always dynamic, interesting and packed with exercises to help you practice speaking and listening while working on your grammar and vocabulary. Enjoy using them in class, then continue working at home with our *K+tools* online learning program. You'll receive a new course book every two weeks and when you progress to a new level.

### Interactive whiteboards

There are interactive whiteboards in many of our classrooms. They're a great way to bring the *K+* learning materials to life as teachers and students use them to interact and collaborate.

# 2

## ONLINE LEARNING

Throughout your course you'll be able to continue your studies with our excellent *K +tools* online learning program. The exercises will fit perfectly with the work and objectives you've focused on in the classroom. You'll get instant feedback on your performance and progress, and you can study whenever and wherever you want.

### *K +eXtra*

Improve even faster with our online *K +eXtra* self-directed study materials. This additional resource provides three language areas to complement and boost your learning: grammar, pronunciation and vocabulary. There are ten modules per level which you can work through at your own pace.

### *Practice makes perfect*

*Once you have completed your program you are now able to extend your access to K +tools so that you can continue studying and improving at home. Ask us for more information.*

# 3

## BEYOND THE CLASSROOM

Attend a *K +clubs* study group, enjoy the weekly social program, or have a relaxed chat with your homestay host. Your Kaplan course offers so many ways to practice and improve your English.

### Social Program

Make your learning fun, educational and exciting with the weekly activities and trips planned by our Social Program organizers. They'll show you all that the city has to offer and help you explore your new home, leaving you with memories that will last a lifetime.

### *K +clubs* study groups

In addition to your regular classes, there are also teacher-led study sessions that run throughout the week. These study clubs explore a wide variety of topics and are an excellent way to practice skills learned in the classroom – and make new friends.

“ The *K+* approach is highly effective, because it has been developed to optimize the learning of English by applying research-based practices of feedback and group-based learning. The *K+* in-class approach maximizes opportunities for students to use their new skills together, and get feedback from well-trained teachers. Research also confirms learners need different amounts of practice, in part depending on where they start.

*K +tools* allows students to practice as much as they need on their own, making their in-class and social activities more productive and enjoyable.

# YOUR ROUTE TO RAPID PROGRESS

As a student on any of our English courses you'll want to progress quickly and know you're doing well. It's important to have a clear view of the path you want to take towards your goals. Our six English levels mean you can always find a starting point that matches your abilities and easily measure your progress through them. You may even surprise yourself by how quickly you move up the levels.

## 10 WEEKS

Students on an Intensive English course typically take just ten weeks to progress from one language level to the next

### LENGTH OF STUDY IN WEEKS (Intensive English)\*

### PROGRESS & LEVEL CHART

This chart shows the progress you can make with a Kaplan language course. On arrival at your school you will be given a placement test to enable our staff to place you in the correct class for your level of language ability.

Regular progress tests during the course will then allow your teachers to monitor your level of improvement.

\* Please note that 10 weeks per level is just a guide to average progress rates on an Intensive English course. We cannot guarantee an exact period of study over which specific language goals can be attained.

## Why learning English is great for my career

Learning English in Australia is only the beginning for me as I start my career as a pastry chef. I am learning quickly, having only 15 students and using interactive whiteboards helps a lot.

Romain Castel, studied at Perth

Better English skills will allow me to get a better job in my country and I will also have the opportunity to choose the best company to work for.

Mariane Marcheti Goncalves, studied at Brisbane

Public holiday dates may affect the start date in your chosen school, see page 44. Academic Year is available in Auckland only. Please note that course options will depend on your language level and availability at the school of your choice.

† Session breaks can only be taken as defined in the table.

## How Kaplan is helping me achieve my goals

**My goal is to work in hospitality and speaking English is a great advantage for that. My weak point in English was writing but I have become so much better at it since starting at Kaplan. Actually, I've improved a lot in all areas now; I can almost watch a whole movie without having to think about it now.**

Jinkwan Yang,  
studied at Sydney City

**The Kaplan teachers are generally more interactive with their students compared to what I've heard about others schools which has helped me learn at an advanced rate. They make their lessons topical which increases my understanding not only of English but English culture as well.**

# TERMS & CONDITIONS (valid January 1 - December 31, 2016)

## APPLICATION PROCESS

**1. APPLICATION:** Please send the signed enrollment form to your Kaplan representative with the enrollment fee and, if applicable, the courier fee. Students 18 and over must sign the enrollment form to say that they have read and agree with these terms and conditions. The parents or legal guardian of students under 18 must read and also sign the enrollment form on their behalf.

**Contract Formation:** By signing the enrollment agreement and returning the enrollment form the student is agreeing to enter into a binding contract with Kaplan. On Kaplan's receiving the completed and signed enrollment form and enrollment fee, if the student's course and accommodation are available, Kaplan will produce a booking confirmation. Once this booking confirmation has been issued, a legally binding contract will be formed between the student and Kaplan, which is dependent on the student meeting all immigration requirements.

Your privacy is important to us. Please note that by submitting your personal data to us, you are accepting the terms described in our privacy policy, which can be found at: [www.kaplaninternational.com/privacy](http://www.kaplaninternational.com/privacy)

**2. PAYMENT DEADLINE:** All course fees must be paid in full (unless otherwise notified) no later than 30 days before the course starts. If a booking is made less than 30 days before the course starts, the fees are immediately payable. If payment in full has not been received, you will not be allowed to start your course.

**Australia:** For individual courses longer than 24 weeks, 50% of tuition fees and all other fees must be paid in full no later than 30 days before the course starts. If a booking is made less than 30 days before the course starts, the fees are immediately payable. The remainder of the tuition fees is required two weeks before the start of the second study period of any individual course.

**3. VISA INFORMATION:** Visa requirements are subject to change, and it is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment in full prior to the issuing of any of the visa documentation referred to below:

**Australia:** Visa application forms (Confirmation of Enrollment) may not be issued by the school until full payment has been received and the enrollment agreement has been signed and returned. The enrollment agreement includes reference to the pre-departure and grievance procedures information and can be found on our website: [www.kaplaninternational.com](http://www.kaplaninternational.com)

**New Zealand:** In accordance with government regulations, visa support (Fees Receipt) is only issued by Kaplan when full payment has been received. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through the New Zealand Immigration Service and can be viewed on their website at: [www.immigration.govt.nz](http://www.immigration.govt.nz)

**4. COURIER FEES:** If you enrol more than 30 days before the course start date, documentation will be sent by normal postal service, unless you request and pay for the courier service. A courier service is available on request at AUD75, NZD85.

**5. TRAVEL AND MEDICAL INSURANCE:** Travel and medical insurance is mandatory in most Kaplan school destinations for the duration of your stay regardless of your course length or course/visa type. Kaplan can recommend a travel and medical insurance plan. Details of what this covers are available from your Kaplan representative. You are responsible for the belongings which you bring with you to Kaplan schools or accommodation and for taking out insurance for your own possessions. You are required to show proof of medical insurance at the school when you arrive. You will not be allowed to commence a course until you have obtained satisfactory medical insurance.

**Australia:** The Australian government requires all students on Student Visas to join the Overseas Student Health Cover (OSHC) scheme, a health insurance plan for overseas students in Australia. Payment of AUD 53/month for compulsory OSHC for the duration of the student's visa must be made before a visa can be issued.

Additional fees will be charged should you arrive in Australia earlier in order to cover insurance for the full visa period.

**New Zealand:** Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at [www.moh.govt.nz](http://www.moh.govt.nz). In addition, The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz). Please note that Kaplan's recommended travel and medical insurance must be booked for a minimum of 4 weeks.

**6. HEALTH DECLARATION:** Students must report on their enrollment form any mental or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their program, that may impact the health and well-being of any other student, host or staff member, that may require monitoring, treatment or emergency intervention of any kind during the student's anticipated period of enrollment, or that may require special accommodations. Kaplan reserves the right to reject an applicant or terminate a student's enrollment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

**7. TUITION FEES:** Tuition fees include lessons, orientation meeting, use of computer room and internet, placement and progress testing and a Kaplan certificate on completion of the course. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees or any other fees remain outstanding, or other conditions are not met.

**8. ADDITIONAL SERVICES:** Any additional services (transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation and enrollment amendments) are not included in any fees unless specifically stated on a valid invoice.

**9. TWIN ACCOMMODATION:** At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

**10. UNDER 18 YEAR OLDS:** Kaplan delivers adult courses (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds are required to pay a guardian fee, provide custodianship documents, live in Kaplan-approved accommodation, book Kaplan's airport transfer in Australia and New Zealand and purchase Kaplan medical insurance. All students under 18 must provide a signed Minor Authorisation form prior to arrival.

## TERMS AND CONDITIONS

**1. RULES AND REGULATIONS:** Students' arrangements with Kaplan are governed by the law of the country where the particular school attended is located.

**2. ARRIVALS AND DEPARTURES:** All accommodation is booked from the Saturday or Sunday before the course start date until the Saturday morning after the course end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Students arriving between 22:30-6:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation.

**3. LATE ARRIVALS, VACATIONS AND ABSENCES:** If you begin your enrollment late or are absent during your course, no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the course.

Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Breaks taken at other times will be marked as periods of absence. For other courses, granting of any Session Breaks after the course has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence.

**4. MEALS AND CLASSES MISSED:** No refunds or substitutions will be made for meals or classes missed due to exams, excursions, internships, first day orientation or other obligations that fall outside the normal schedule.

**5. PUBLIC HOLIDAYS:** Classes are normally not held and most school facilities are closed on public holidays. All published course start dates fall on a Monday. If the Monday is a public holiday, the start date will fall on a Tuesday. Compensation will not be made for classes not offered on public holidays.

**6. CAMPUS FACILITIES:** Students attending a Kaplan school at a university or college campus location are advised that campus facilities may not be available during campus holidays. Further details are available from the Kaplan booking office.

**7. CHANGE FEES:** A minimum of 4 weeks' notice is required for any change. If you request a change of school location, course dates, accommodation or program type after your course has started, you will be charged a change fee of AUD75, NZD75 which is payable at the time the request is made. Kaplan is not obliged to fulfill any change request. Academic Year or Academic Semester students cannot transfer to a different Kaplan school during term time. If changing to a location where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the School Principal. You will not be charged a change fee if you extend your course. It is the responsibility of the student to pay for any course or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking, and will thus be subject to the standard terms and conditions governing terminations (see 'Termination Policy').

**8. DURATION OF LESSONS:** All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Kaplan cannot guarantee a specific timetable.

**9. SUBSTITUTION POLICY:** If, after the placement test taken on arrival at the school, a student is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the student in an appropriate level class, which may have fewer lessons and a different curriculum. Students who do not have the ability to follow any course on offer may be required to terminate their studies with Kaplan. We also reserve the right to cancel courses at short notice due to insufficient demand.

**10. PROGRAM CHANGES:** Kaplan has the right to change course dates, course curricula, tutors, locations and programs at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the student, all fees will be refunded.

**11. PRICES:** Kaplan has the right to change prices due to tax increases, governmental actions or other events beyond Kaplan's control. Prices are valid for courses starting in 2016.

**12. BOOKS AND LEARNING MATERIALS:** All books and learning materials will be made available to students during their course. Some specialized courses may require the purchase of books. A materials fee is charged to studying in Australia and New Zealand to cover the cost of such items.

**13. RESIDENTIAL HOUSING DEPOSIT:** A refundable housing deposit of approximately NZD250-500 or AUD250-500 may be charged on arrival to students taking residential accommodation New Zealand and Australia. Please note, deposit fees vary by school location; students will be informed at the time of booking should additional fees apply.

The deposit is returned unless there is damage, loss or extra cleaning to be paid for on the student's departure. In some cases the deposit may be non-refundable if the booking is cancelled. Additional fees may also apply in some locations (e.g. utilities, cleaning, linen).

**14. EXPULSION/SUSPENSION:** Any student who commits a criminal offence, violates the student conduct code or school policy, has, in Kaplan's opinion, a poor attendance record (whether or not such attendance is in breach of any visa attendance requirements), is absent for 14 consecutive days without notification, or fails to pay an amount he or she is directly or indirectly liable to pay Kaplan in order to undertake the course, may be expelled or suspended. No refund will be given and the immigration authorities will be informed.

**Student Code of Conduct:** You agree to abide by the student conduct rules and other policies while attending Kaplan. As part of Kaplan's commitment to our students' success, we seek to provide an optimal learning environment and expect students to conduct themselves in a manner that is considerate of those around them. Inappropriate conduct includes but is not limited to: (1) disruptions to the learning environment (i.e. use of profanity, harassment, mobile phone use in classrooms, etc.); (2) deliberate destruction, misuse, or theft of Kaplan property or the property of fellow classmates; (3) violence or threats of violence towards persons or property of students or Kaplan staff; (4) improper use of email or internet access; and (5) failure to comply with local copyright or criminal laws forbidding the misappropriation, copying or alteration of copyright-protected materials.

**15. LIABILITY:** The liability of Kaplan, its group companies, their directors, officers, employees, affiliates, agents and partners with respect to losses arising from negligence (except where such liability cannot be excluded as a matter of law), breach of contract or otherwise will be limited in all circumstances to the full amount paid to Kaplan or the relevant Kaplan group company by the relevant student for the particular program. Such companies and persons will in no circumstances have any liability for indirect or consequential losses or damages.

**16. FORCE MAJEURE:** Kaplan will not be liable in cases where Kaplan is unable to fulfil any services to which they are contractually bound because of fire, natural disaster, act of government, failure of suppliers or subcontractors, labour disputes or other reasons which are beyond Kaplan's control.

**17. CODES OF PRACTICE:** Kaplan has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the New Zealand Minister of Education and by the Australian National Code of Practice 2007 and the Educational Services for Overseas Students Act 2000 (ESOS Act 2000). Information on these Codes is available on request from Kaplan or from: [www.minedu.govt.nz](http://www.minedu.govt.nz) and [www.internationaleducation.gov.au](http://www.internationaleducation.gov.au)

**18. PHOTOGRAPHY, FILMING AND SOUND RECORDING:** Kaplan or its representatives may arrange to photograph or shoot video footage of students for promotional purposes, both printed and online. Any student who does not wish to participate should advise us at the time of booking and state at the time of the photographing or video shooting the wish not to participate. By accepting these terms and conditions the student (and their parent/guardian if under 18) gives consent to the use of these photographs or video footage without further consent or notification.

AUSTRALIA:** Legal Entities and CRICOS codes Australia: Kaplan International (Brisbane) Pty Limited, ABN 81 097 629 073, CRICOS 02369F; Kaplan International (Cairns) Pty Limited, ABN 83 010 846 821, CRICOS 00080F; Kaplan International (Melbourne and Adelaide) Pty Limited, ABN 90 129 017 385, CRICOS 03008A; Kaplan International (Perth) Pty Limited, ABN 76 079 200 212, CRICOS 01784K; Kaplan International English (Australia) Pty Limited, ABN 31 003 631 043, CRICOS 01165D; Kaplan International (Manly) Pty Limited, ABN 93 098 348 844, CRICOS 02362B.

Agreement to the Kaplan Terms and Conditions does not remove the student's right to take further action under Australia's consumer protection laws, or their right to pursue other legal remedies under Australian law.

All additional information and documents can be found on the Kaplan website: [www.kaplaninternational.com](http://www.kaplaninternational.com)

**20. STUDENT VISA AUSTRALIA/NEW ZEALAND:** Student visa holders are required to provide Kaplan with a current residential address and telephone number at all times, maintain satisfactory academic progress and attend a minimum of 80% of their course. Students who fail to show up for their enrollment or with less than 80% attendance will be reported to the Department of Immigration and Border Protection (DIBP) in Australia, or to New Zealand Immigration Services. Regardless of immigration status, information collected by Kaplan which personally identifies a student and information regarding a student's course progress may be shared with the Australian State and Federal government, the Tuition Protection Service (Australia), students' parents, Kaplan staff and third-party representatives (i.e. agents and/ or government sponsors) and law enforcement officials. **21. LANGUAGE OF INSTRUCTION:** All language of instruction shall be in English.

#### REFUND POLICY

Refunds will be made via the Kaplan representative to whom the fees were originally paid, or to the student's bank account in the same country in which the fees were originally paid. All refunds will be made within 45 days of written notification. In the event of Kaplan cancelling or terminating a course, a full refund of all unused fees will be made.

**Australia:** Refunds will be paid within 14 working days of written notification. In accordance with the ESOS Act 2000, Kaplan will pay a full refund to the student within 14 days if the course being offered does not commence on the agreed starting day; or the course stops being provided at any time after it starts and before it is completed; or the course is not provided in full to the student because a sanction has been imposed on the college. This agreement, and the availability of complaints and appeals process, does not remove the right of the student to take action under Australia's customer protection laws.

#### POSTPONEMENT POLICY

Postponements will only be made on receipt of a valid written customer request.

Bookings may be postponed a maximum of two times within one year of the original booking date. Bookings may only be postponed by up to 6 months at a time. You may be rebooked at the rates currently in effect at the time of rebooking. Only one tuition promotion may be used at any time; any previously expired promotions will no longer be valid at the time of postponement; a current promotion, valid at the time of postponement, may be applied.

#### CANCELLATION POLICY

'Cancellation' means cancelling a course before the start date of the first course you are attending and for which attendance is required. Except as provided below for New Zealand, in all other cases where cancellations are made in writing 7 days or more before the arrival date listed on the booking confirmation form, or on written notification of a visa rejection and receipt of relevant supporting documentation, 100% of the tuition and accommodation fees will be refunded, but in all cases the courier fee, accommodation placement fee and enrollment fee (refundable in New Zealand only) and any other service charges, as applicable, are non-refundable. For cancellations and postponements made less than 7 days before the arrival date listed on the booking confirmation form including failure to show up, tuition and accommodation fees will be refunded less one week's accommodation fee (two weeks' accommodation fee for hostels and apartments in Australia) and a tuition fee of AUD240.

In all cases, the courier fee, enrollment fee, accommodation placement fee, medical insurance and any other service charges are non-refundable. In all cases where a visa or visa support documentation has been issued, the relevant immigration authorities will be informed.

**New Zealand:** Tuition (in accordance with the NZQA and Kaplan refund policy):

- Courses of 13 weeks or longer: cancellations or terminations made prior to or within the first 10 working days of the course will be refunded in full, less a deduction for costs incurred by Kaplan, up to a maximum of 25% of the total fee paid. Kaplan will provide you with details of the cost components for the purpose of working out the maximum deductible percentage. In the event of a dispute over the cost component deducted, you can refer the matter to the International Education Appeal Authority (IEAA).

Courses 2 to 12 weeks

- Courses of 5 weeks or more but less than 3 months: Where a student withdraws within the first 5 days of the course for which attendance is required (i.e. Orientation), Kaplan may retain up to 25% of the full amount of any payments made by the student in respect of the course, and will refund the balance to the student.

- Courses of up to and including 4 weeks and 6 days: Where a student withdraws within the first 2 days of the course for which attendance is required (i.e. Orientation), Kaplan may retain up to 50% of the full amount of any payments made by the student in respect of the course, and will refund the balance to the student.

Students who withdraw before the course commences will also be subject to the above criteria.

#### TERMINATION POLICY

'Termination' means stopping or leaving all or part of the course or courses booked, including extensions, once the first course has started. When determining the number of weeks completed, a partial week will be counted as a whole week, provided the student was present at least one day during the scheduled week. Used weeks of discounted tuition and accommodation packages will be charged at the full brochure weekly rate when any refund is calculated.

In all cases additional service charges (e.g. airport transfers, courier fees, enrollment fees, medical insurance, accommodation placement fee, program supplement fee, etc.) are non-refundable and written notification of termination must be given to the school School Principal. Students who terminate their program may not be eligible to receive a Kaplan certificate and will not be allowed to stay in Kaplan accommodation.

**Tuition: Australia:** No refunds will be made for tuition. Tuition fees are non-transferable to other students.

**New Zealand:** The same conditions apply on termination as to cancellations. See cancellation policy above.

In all cases where a student terminates his or her studies the relevant immigration authorities will be informed.

#### Accommodation

Australia and New Zealand: Students must give 4 weeks' notice (or 8 weeks' notice for discounted accommodation packages) in writing to the School Director/Principal. A refund will be made of the unused accommodation fee less the applicable notice period and the applicable change fee. Some residential options may have additional terms and conditions relating to reservation cancellation.

#### GENERAL

These Terms and Conditions may differ according to any changes in the policy made by the accrediting body or government (local or national) where the school is located. You will be notified at the time of booking of any such amendments. Any dispute, claim or other matter arising will be subject to the current laws in the destination country.
