Loughborough College seeks to enable all individuals to develop, grow and achieve their full potential. Loughborough College is committed to promoting an environment, where every learner is treated with respect and dignity. No learner, member of staff or any related third party should feel disadvantaged on the grounds of ethnicity, sex, age, gender reassignment, pregnancy, marital status, sexual orientation, disability, religious beliefs or any other characteristic.

Loughborough College is responsible for ensuring that all individuals receive the same opportunities, regardless of personal circumstances and individual differences.

WHO WE WORK WITH

We are proud to work with some of the UK's top universities and awarding bodies

Our undergraduate provision includes a range of Foundation Degrees, HNDs and full Honours Degrees, delivered in partnership with leading universities and awarding bodies. At the end of your degree, your certificate is awarded directly by the validating university, as it is their degree that you will have completed.

All of our degree programmes are quality assured each year by the universities that award them to ensure that they meet the highest possible standards.

For more information about our partners and how they relate to your final qualification, contact our Undergraduate Admissions Team on undergradadmissions@loughcoll.ac.uk or call **01509 618110**

TEACHING EXCELLENCE
FRAMEWORK

WE ARE RATED **GOLD** IN THE TEACHING EXCELLENCE FRAMEWORK (TEF)

For more information on the TEF visit
www.officeforstudents.org.uk

We are proud to have been awarded the highest national award for teaching and learning quality in the 2019 Teaching Excellence Framework. The Teaching Excellence Framework (TEF) is the system through which universities' and colleges' teaching quality is rated.

We have been awarded Gold for delivering consistently outstanding teaching and learning outcomes, which are recognised as 'of the highest quality found in the UK'.

The Government's Teaching Excellence Framework (TEF) assesses higher education providers across the country and judged the College to have achieved the highest possible level in a range of measures including student continuation and achievement, student satisfaction and progression to employment or further study after graduating, with its review recognising 'students from all backgrounds achieve outstanding outcomes'.

The panel said its judgement that Loughborough College is a Gold provider particularly reflected evidence of:

- **Optimum levels of contact time, including outstanding personalised provision, that secure very high levels of engagement and commitment to learning from students**
- **Employability skills embedded firmly in the curriculum, with frequent engagement by students in developments from the forefront of scholarship and industry practices**
- **Students involved in course and module design most highly valued by employers**
- **College culture which facilitates, recognises and rewards excellent teaching**

I am absolutely delighted to see Loughborough College awarded TEF Gold and proud to see us amongst the country's top providers, with our higher education teaching judged by a panel of experts as being of the highest quality found in the UK. This accolade reflects the experience we offer our students across our college and the hard work and commitment of the staff who provide it.

Loughborough College CEO

LIVING IN LOUGHBOROUGH

Loughborough is a buzzing student town with plenty on offer for students. Whether you're looking for great entertainment, restaurants, nightlife or shopping, you'll find it all in Loughborough.

Located in the heart of the East Midlands close to Leicester, Nottingham and Derby, Loughborough is easily reached from across the UK and further afield.

BY CAR

The M1 J23 is less than three miles away.

BY TRAIN

The train station in Loughborough connects regular rail links countrywide with main services passing through the major surrounding cities, including Leicester, Nottingham, Derby and London. The station is a 25-minute walk from the college or you can catch the shuttle bus, which departs every 10 minutes.

From

LEICESTER - 9 mins

NOTTINGHAM - 19 mins

DERBY - 22 mins

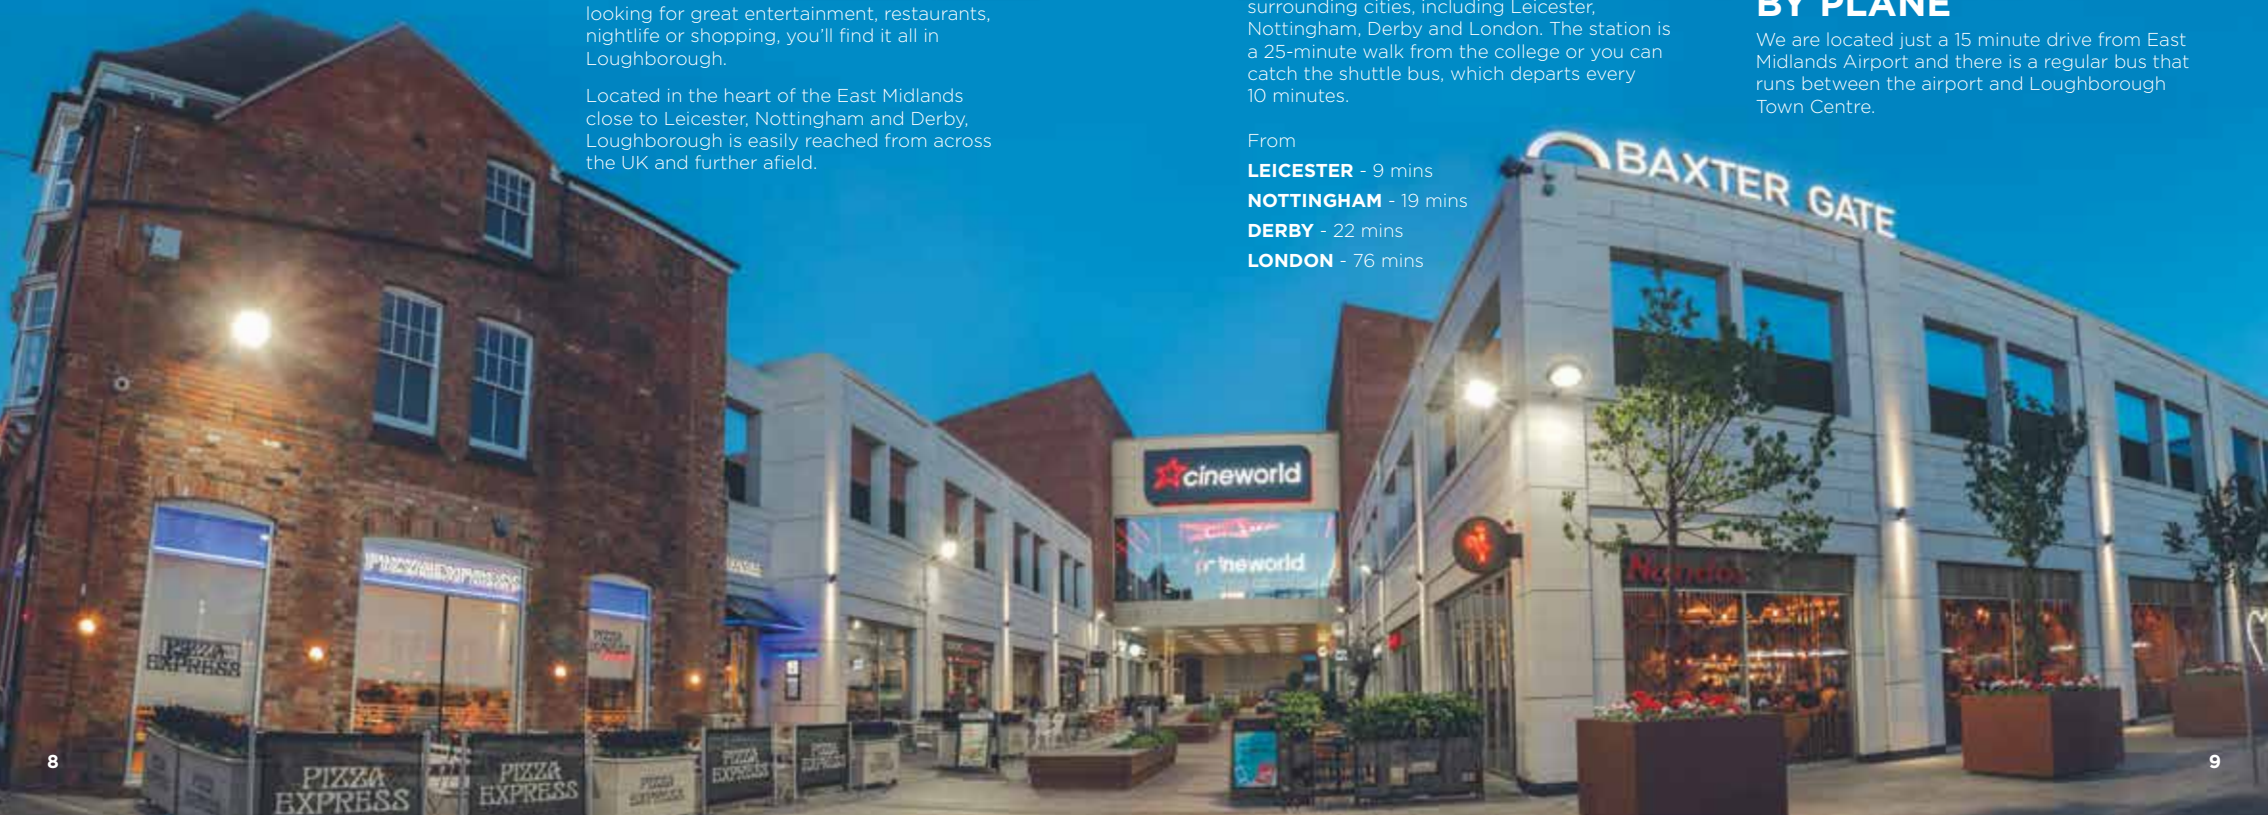

LONDON - 76 mins

BY BUS

We are widely accessible by bus with various services operating in and around Loughborough. The college is well connected by regular, direct buses running from Leicester, Nottingham, Derby, Melton Mowbray and Ashby.

BY PLANE

We are located just a 15 minute drive from East Midlands Airport and there is a regular bus that runs between the airport and Loughborough Town Centre.

LOUGHBOROUGH STUDENTS' UNION

When our students enrol they automatically become members of Loughborough Students' Union (LSU). Located on the Loughborough University campus, LSU gives students access to a huge range of rewarding activities and societies. The union also provides support with student welfare, advice and information.

The LSU building provides easy access to a range of facilities including a coffee bar, shop, restaurant, hairdresser, pub and optician. It is also home to a 4,000 capacity nightclub which hosts events throughout the week.

LOUGHBOROUGH SPORT

Sport has always been at the heart of studying in Loughborough, playing a key part in life on campus. As well as a range of levels of student sport, there are plenty of opportunities to develop your coaching and leadership skills.

PERFORMANCE

Student athletes competing for a range of first team squads take part in enhanced, high-performance sporting programmes, consisting of expert coaching, professional strength and conditioning, and sports medicine support.

They also have access to extensive indoor and outdoor training and competition facilities, a heavily-discounted gym membership, and support from the Performance Life Skills programme.

There's also financial support available, in the form of sports scholarships, for the highest performing student athletes.

*students on Loughborough University validated courses are eligible to play sport for Loughborough University in BUCS

COACH AND VOLUNTEER ACADEMY

The Coach and Volunteer Academy (CVA) provides valuable sport-based coaching, volunteering and leadership opportunities that enhance student experience and personal development, whilst improving employability within the sports industry.

CLUB

The Athletic Union (AU) has a huge variety of student-run clubs open to everyone, whatever your ability. From football, rugby and hockey to snow sports, water sports and martial arts, you're guaranteed to find something to keep you active. AU clubs compete in British Universities and Colleges Sport (BUCS) competitions.

RECREATION

The My Lifestyle programme is designed for students who want to exercise, keep fit and play sport for fun in an environment free from competition, expectation and obligation.

**British Universities and Colleges
Sport (BUCS) Champions***

YOUR CAREER

In addition to your qualification, we'll provide you with the skills you need to stand out in the job market, giving you the competitive edge over other candidates.

YOUNG ENTERPRISE

Our students are given the chance to take part in the national Young Enterprise competition, with students designing, creating and pitching a business plan for a product or service.

CAREERS AND EMPLOYABILITY ADVICE

We'll work with you to help you to define your strengths and explore career options, making sure that you feel confident in moving forward.

GET INVOLVED

Take part in enrichment and extracurricular activities both within college and as part of Loughborough Students' Union.

WORK EXPERIENCE

Many of our courses include a work experience component, enabling you to put theory into practice.

98%

of our students are in either **EMPLOYMENT** or **FURTHER STUDY** within 6 months of graduating

SUPPORTING YOU

Whichever route you choose to take, we're here for you every step of the way.

YOUR ACADEMIC TUTOR

All students have access to an academic tutor who will meet with you on a regular basis to offer professional advice and guidance relating to your studies.

STUDENT SERVICES

We have staff on hand to help with any financial, travel, application, or accommodation queries. Information about opportunities and support around the college is available from the Welfare and Development Team.

STUDENT SUPPORT

We welcome students with a wide range of support needs and disabilities and we have a dedicated support network in place to make sure that you get the very best from your college experience.

CAMPUS AND FACILITIES

Our campus and facilities are designed to help you make the most of your experience and support your learning. We are located on the edge of the town centre, just across the road from Loughborough University.

DEDICATED UNDERGRADUATE CENTRE

The Undergraduate Centre is a dedicated space used by our university-level learners to conduct their studies. Designed to meet the teaching, learning and social needs required for Higher Education study, you will have access to the computers, breakout areas and lecture rooms in this specialised facility.

EXERCISE PHYSIOLOGY LABORATORIES

Our state-of-the-art physiology lab is equipped with high spec treadmills and exercise ergometers, allowing Sport students to gain an applied insight into the physiological changes associated with exercise.

The lab is also equipped for gas analysis, haematological assessment and measures of hydration, as well as body composition techniques. High-speed cameras and a pressure plate also allow for analysis of human performance from a biomechanical perspective.

ARTS ACADEMY

The Arts Academy is a new development designed to provide top-level facilities to those looking to work in the creative industries. Undergraduate students studying Music will have access to our new, industry standard recording studios, packed with state-of-the-art equipment, as well as fantastic rehearsal spaces for you to develop your skills.

ENGINEERING LABORATORIES

Our engineering laboratories are of an excellent standard and include the highest specification jet engines, 3D printer, electronic testing devices such as Programmable Logic Controllers (PLCs) and a spectrum analyser.

Undergraduate students on our Engineering courses will be able to use these state-of-the-art facilities for hands-on learning, putting their skills into practice and gaining vital industry experience.

LIBRARY

Our Library offers a range of drop-in and bookable computer facilities in a variety of comfortable study environments. We have a dedicated area for undergraduate students to study, and the facility to reserve small rooms for the purpose of conducting group work. A wide range of academic books, e-resources, e-books and e-journals are also available, all of which can be accessed both on and off-site.

RADMOOR HEALTH & FITNESS

Based in the Radmoor Centre on the College campus, Radmoor Health & Fitness offers fantastic facilities and great value for money. It houses a modern 50-station fitness suite, as well as indoor cycling, dance and exercise studios.

There are a range of classes on offer, including Spinning, Insanity, BodyPump, Zumba, Pilates, Yoga, and Body Combat. After exercising, be sure to make the most of the Radmoor Centre's commercial spa, sauna and steam room.

RADMOOR HAIR, BEAUTY & SPA

With modern, luxurious studios, our hair & beauty salons and spa are the perfect place to relax, unwind, and treat yourself to an uplifting experience for body and mind. From massages to manicures and hairdressing to tanning, Radmoor Hair & Beauty offers an extensive range of professional treatments at affordable prices.

RESTAURANTS AND CAFES

There are plenty of places to eat on campus, and our prices are designed to suit all pockets. We have a range of tasty light bites, quick snacks and home-cooked meals available to purchase in our two cafés, two restaurants and student shop. Radmoor Restaurant & Bar is open to the public, providing a fantastic dining experience and great value.

RADMOOR CHILDCARE

Radmoor Nursery offers a full day care facility for children up to school age and is open to children of students and the general public. Radmoor Childcare also run additional after-school and holiday clubs

ACCOMMODATION

Our accommodation has everything you'll ever need to feel happy and settled whilst studying. We have experience helping thousands of students who choose to move away from home and our Accommodation Team are on call 24 hours a day.

“Living in halls provides all the facilities a student needs for getting used to living far away from home. I've made a lot of new friends, I have everything I need including a great kitchen to cook in and a great room where I can study.”

COURSE LEVELS EXPLAINED

We offer a wide variety of study options and entry points for undergraduate study to suit all needs.

HNC/HND

The BTEC Higher National Certificate (HNC) and Higher National Diploma (HND) are established qualifications that are widely recognised and highly regarded. We offer these in various, flexible modes of study, including part-time, block release, or evening options.

FOUNDATION DEGREE

Foundation Degrees have been designed together with employers to meet the growing demand for skilled people who can apply an enhanced understanding of their subject in the workplace. You can either enter employment after completing the course or choose to "Top Up" to a full Honours degree.

HONOURS DEGREE TOP-UP

Successful HND or Foundation Degree students who meet entry requirements, are eligible to progress on to a one-year, full-time course at Loughborough College, designed to "top up" their current qualification to a full Honours degree, awarded by our partner universities.

HONOURS DEGREE

We now offer full three-year Honours degree courses, with our partner universities. Although you will study at Loughborough College, your final qualification will be awarded by the validating university itself and will be equivalent to receiving a degree directly from them.

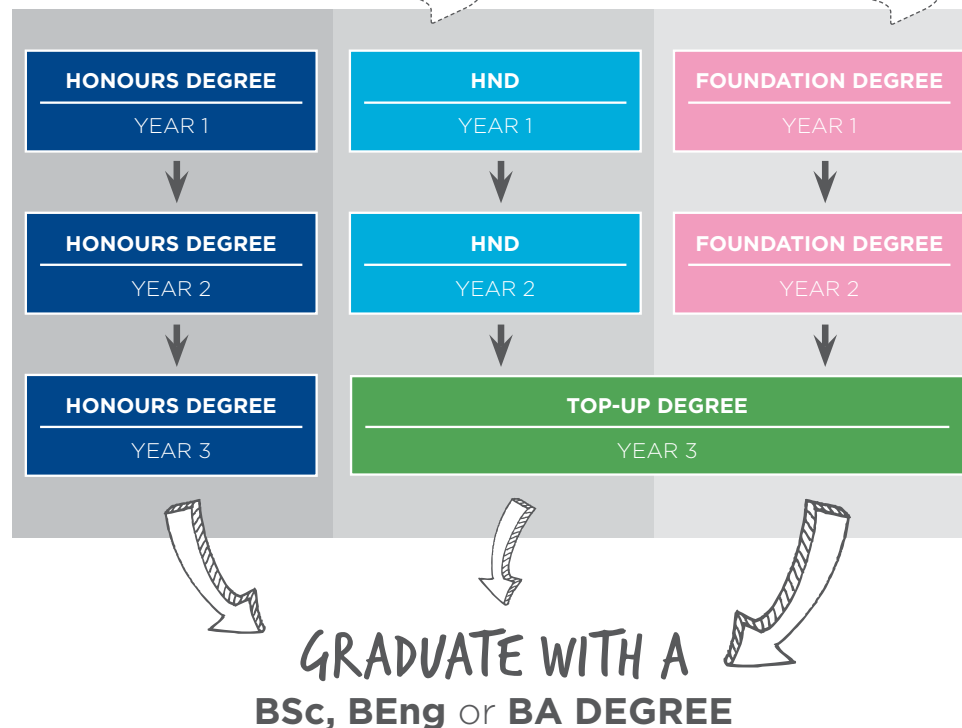

DID YOU KNOW?

Year one of a HND is a HNC qualification

DID YOU KNOW?

After studying for **2 years** (HND/ Foundation Degree) you will have a **stand alone qualification**.

If you study a **top up degree** for **1 year** you'll boost your qualification to an **Honours degree**

STUDY OPTIONS

At Loughborough College, there's more than one route to gain a degree level qualification. We offer a range of ways to reach your personal goals.

FLEXIBLE START POINTS

Some of our courses have more than one intake each year, meaning that you may not have to wait until September to start. A number of courses will also allow you to enter at different stages, depending on your existing qualifications. Please contact us to find out more information.

FULL-TIME

Most of our programmes are offered on a full-time basis and this is the quickest way to achieve your qualification.

PART-TIME

A number of our programmes are also offered part-time. Although this will increase the amount of time it takes to complete your qualification, it means you have more time for other personal or work commitments.

BLENDED LEARNING

We have a number of HND and Honours degrees that you can study full-time or part-time via blended learning. This way of studying provides the perfect combination of online learning which you can complete away from campus, coupled with a series of contact days throughout the year where you will benefit from face-to-face contact time with lecturers. This is ideal for those balancing their studies alongside professional, personal or sporting commitments.

HIGHER AND DEGREE APPRENTICESHIPS

An apprenticeship is a combined package of work and study. As an apprentice, you'll be employed by a company and paid a wage for the work that you do and will also be supported by your place of work to study for an apprenticeship at the same time.

An apprenticeship includes an HNC/D, Honours Degree or professional qualifications, meaning that by the end of your apprenticeship you will finish with a degree level or professional qualification funded by your employer, as well as valuable work experience.

We currently offer a range of apprenticeships within Business and Engineering but are willing to work with employers to expand the options available to meet industry needs. If you are an employer looking to up-skill your workforce through apprenticeships, please contact us on **apprenticeships@loughcoll.ac.uk** or **01509 515461**

Our current Higher and Degree Apprenticeships:

Level 6 Chartered Manager Degree Apprenticeship

Level 4 Electrical Power Networks Engineer

Level 5 Nuclear Technician

Level 6 Product Design and Development Engineer

Level 6 Control/Technical Support Engineer

We also offer a range of Apprenticeships which include industry recognised professional qualifications. These include:

Operations/Departmental Manager Apprenticeship (Level 5)
Includes: CMI Level 5 Diploma in Management & Leadership

Team Leader/Supervisor Apprenticeship (Level 3)
Includes: CMI Level 3 Diploma in Principles of Management & Leadership

Professional Accounting Technician (Level 4)
Includes: AAT Professional Diploma in Accounting

Assistant Accountant (Level 3)
Includes: AAT Advanced Diploma in Accounting

MATURE LEARNERS

It's never too late to learn something new, so apply now and find yourself on the path to a brighter future.

We welcome students of all ages and provide support across a broad range of disciplines. Offering Access to Higher Education, professional courses and degree-level programmes, we can help you to achieve the qualification you need to enhance your earning potential.

If you are aged 21 or over at the start of your course and find that you do not meet the formal entry requirements, we urge you to still apply. As a mature student your relevant academic, professional and life experiences detailed in your application will be considered.

ACCESS TO HIGHER EDUCATION COURSES

Our Access to Higher Education courses have been specifically designed for individuals aged 19+ who want to return to study and gain the necessary qualifications for progression into Higher Education.
