# AT A GLANCE

First of all, you'll want to know why you should study at Loughborough College.

Here are the cold, hard facts, but we've got plenty more reasons waiting for you inside.

£30M

has been invested over the past five years to improve our campus, including learning facilities, social spaces and campus security

1<sup>st</sup>

for **student experience**.  
**Loughborough Students' Union** offers hundreds of opportunities for you to get involved

94%

of our students find success in work, further education or training within six months of leaving us

GOOD

overall rating in our June 2017 **Ofsted inspection**, with **Outstanding** for Apprenticeships

# WELCOME

## DID YOU KNOW?

Loughborough was the destination of the first ever package holiday in 1841

**When you aren't busy studying, you're probably going to want a few distractions. Fortunately, Loughborough is a bustling town with loads on offer for students.**

## SHOPPING

With Loughborough town centre just a few minutes' walk from the college, you can make the most of your student discount right on your doorstep. Find all of the popular high street favourites, including Topshop, TK Maxx, Primark and Boots, as well as loads of vintage and independent shops. Supermarkets include Tesco and Sainsbury's, and there's also a local market at least twice a week, offering bargains on fresh produce and household goods.

## THINGS TO DO

Take a trip to The Climbing Station for a workout with a difference, or grab a load of mates and battle it out at Laser Quest. Challenge yourself at one of the escape rooms, or simply kick back and relax at one of the two cinemas. Weather permitting, you might like to take a stroll (or a jog, it's up to you!) through Loughborough's beautiful parks and woodlands.

## EATING OUT

While Loughborough isn't exactly the biggest town in the UK, that doesn't mean that you'll be stuck for somewhere to eat. Fancy a mouthwatering Middle Eastern feast? Or how about a bit of Asian fusion? Maybe you're just after some classic English pub grub? Whatever gets your taste buds going, Loughborough has it all. Of course, you can also find all of your favourite fast food chains in the town centre, plus independent coffee shops and delis.

# OUR CAMPUS

We're always working to improve our campus to give our students the best in facilities and technology. Take a look at some of our more recent improvements.

## 2014

Situated at the heart of the college campus, **THE HUB** is your first port of call when you visit. This modern complex houses excellent dining facilities, student support services, a library, and our Arts Academy.

## 2015

50 years after it was first built, we renovated one of our most iconic structures, turning it into our new **SIXTH FORM COLLEGE**. This award-shortlisted makeover created our campus' biggest teaching space, packed with redesigned classrooms, brand-new science labs, state-of-the-art IT rooms, and ample space for flexible learning.

## 2016

In developing the Radmoor Centre, our commercial facility which provides a hands-on learning environment for our students, we officially opened the **RADMOOR SPA & SALON**. Comprising a hair salon, beauty treatment rooms, nail salon, spa and more, it allows our Hair & Beauty students to gain real-world experience while offering great value for money for customers.

# FACILITIES

## DID YOU KNOW?

Our students regularly perform shows throughout the year, including plays, pantomimes and concerts.

## LIBRARY

Located in the Hub, the library has a range of drop in and bookable computer facilities. You can book small rooms for group work and borrow a wide range of academic books. There is also a large collection of e-resources, e-books and e-journals which can be accessed both on and off site.

Our campus boasts a different kind of classroom experience. With employability at the heart of everything we do, we make sure that our facilities are equipped to prepare you for the world of work.

## FITNESS & SPORTS CENTRE

Our top-class Fitness & Sports Centre hosts a teaching gym, sports analysis suite and four-court sports hall. Students studying Sport also have access to on-site athlete consultation rooms, as well as the Radmoor Centre's sports hall and gym.

## ARTS ACADEMY

Opened alongside the Hub in 2014, the Arts Academy is home to a range of industry-standard facilities, including recording suites, rehearsal spaces and a dance studio, as well as a photography studio and dark room, Mac editing suite, and 220-seat theatre.

## TECHNOLOGY CENTRE

We've got some of the best engineering, electrical installation and motor vehicle workshops in the East Midlands, offering access to industry-standard machinery and tools.

## RADMOOR CHILDCARE

Located in a newly refurbished building on the college campus the Radmoor Nursery offers a full day care facility for children up to school age. The nursery is rated 'Good' by Ofsted and is open to children of college students and staff as well as the general public. Radmoor Childcare also run additional after-school and holiday clubs. To find out more visit [www.radmoornursery.co.uk](http://www.radmoornursery.co.uk)

# RADMOOR CENTRE

## DID YOU KNOW?

The Radmoor Centre is a commercial facility, offering health & fitness, hair & beauty and catering services

The Radmoor Centre houses a range of fitness, beauty and restaurant facilities that are open to the general public. As well as being a commercial facility, it's also a working learning environment for our Health & Fitness, Hair & Beauty, and Hospitality & Catering students, giving them valuable hands-on experience under the guidance of their tutors.

## HAIR & BEAUTY

Radmoor Hair & Beauty is a commercial salon with modern facilities, including:

- Hair salon
- Beauty treatment rooms
- Dry floatation
- Sauna and steam room

## HEALTH & FITNESS

Radmoor Health & Fitness offers modern sport and exercise facilities, including:

- 50-station gym
- Indoor cycling studio
- Dance and exercise studio
- Four-court sports hall
- Floodlit outdoor 4G pitch

## RESTAURANT & BAR

The Radmoor Restaurant provides a fine dining experience, created by our Hospitality & Catering students. Service spans lunch, drinks and dinner, plus special themed evenings, buffet lunches and commercial catering, giving students experience in a variety of culinary techniques and service.

# HALLS

Our accommodation has everything you need to feel happy and settled while you're studying with us, giving you the perfect balance of independence and support. We've even got dedicated blocks of en-suite rooms just for under-18s.

## THE ELITE ATHLETE PERFORMANCE CENTRE

This stunning listed building houses 17 en-suite rooms specifically for elite sport students under the age of 18. Refurbished for student living, facilities include a huge living space, a modern shared kitchen and, most importantly, free laundry! Room sizes range from standard to large, with full access to all of the other communal areas on-site.

## THE GABLES AND THE STAN BELL CENTRE

- 5-minute walk from the college campus and students' union
- 10-minute walk from the town centre and large supermarkets
- 223 single bedrooms
- Communal laundry, outdoor spaces and common rooms, variously equipped with TVs, games consoles and table tennis
- Five or six person flats with shared or en-suite bathrooms
- Rooms adapted for disabled students (subject to assessment)
- Wi-Fi and network points throughout
- Regular social activities

# SUPPORT

## DID YOU KNOW?

We offer a range of grants, bursaries and cash payments

Whichever route you choose, we're here for you every step of the way.

## PROGRESS

If you're a full-time student, you'll see a lot of your teachers and your progress tutor. Between them, they can offer all kinds of support and advice, and will work with you to set targets, so you're clear about your goals and ready for your next steps.

## PRACTICAL THINGS

The Learner Services team is here to answer your financial, travel, application and accommodation questions. They can also help you to find out more about the financial, legal, educational, disability and international advice available through Loughborough Students' Union.

## MONEY MATTERS

There are loads of options available to help with the expense of studying, including help with childcare, kit, and travel costs. We also offer cash payments based on attendance.

## ADDITIONAL SUPPORT

Our dedicated support network helps to make sure that all students get the most from their college experience, regardless of any support needs or disabilities. We have specialists in ASD, physical disabilities, learning difficulties, and mental health, who are on hand to support you throughout your time with us.

## WELFARE & DEVELOPMENT

We're very much invested in our students and have a range of teams dedicated to your welfare and development. These include the Mental Health team, Wellbeing Mentors, Inclusion team and Safeguarding Officers. If you require support there is someone here for you to speak to. We offer 1:1 appointments as well as inclusive support groups, we also provide a sexual health clinic three times a week.

# GET INVOLVED

College isn't just about studying!  
Make the most of your time with us by  
getting involved with an activity or  
society. From volunteering and charity  
work to sports teams and special-  
interest groups, you're sure to find  
something you'll love.

## ENTERPRISE SOCIETY

Founded in 2015, the Enterprise Society won the Best College Society Award at the NACUE Leaders' Summit in 2016. Run by a board of student directors, the society secures funds for other enterprising students, helping them to organise fundraising events or even start up a small business.

## FUNDRAISING

The Loughborough community is really important to us, and our students have a pretty good track record when it comes to fundraising for a variety of local and national charities. Last year Sport FE raised £3814.47 for BBC Children In Need.

### DID YOU KNOW?

You don't need to be studying Sport to get involved in sports competitions

## SPORT

You won't be surprised to hear that sport is a big part of college life in Loughborough. Even if you're not studying Sport, you can take part in a number of organised activities, including inter-departmental competitions, allowing you to make friends while keeping fit.

# LOUGHBOROUGH STUDENTS' UNION

## DID YOU KNOW?

LSU is one of the biggest students' unions in the country and is frequently voted #1 for student experience

Loughborough College students are members of Loughborough Students' Union, giving you access to everything it has to offer. Owned and managed by its members, LSU has been developed by students, for students. Find something that you love and get involved!

## LEARNER REPS

Are elected by their peers to represent their views and to support college improvement.

## RAG

Take part in some of the most challenging and rewarding projects in the world, from jumping out of planes to dog-sledding across the Arctic Circle, while raising over £1,000,000 annually for local, national and international charities.

## SOCIETIES

Whatever you're into, LSU has a society for you. There are over 120 to choose from, ranging from art and music to off road driving and hot air ballooning—and if you think there's one missing, you can set it up and chair your own club!

## ACTION

Action is a fantastic way to maximise your college experience and enhance your CV with rewarding volunteer work. Throughout the academic year, students contribute over 25,000 hours to local projects working with children, the elderly and disabled, as well as aiding overseas communities in places such as Mexico, Nepal and India.

## MEDIA

LSU's multi-million-pound media centre gives you the chance to get hands-on with student media and journalism. You'll have plenty of opportunities to build your portfolio and gain experience while working for our award-winning TV station, 24/7 radio station, magazine, and photography studio.

# SPORT

## DID YOU KNOW?

Loughborough College alumni won a total of 14 medals in the Rio 2016 Olympics and Paralympics

**Sport has always been at the heart of studying in Loughborough. Whether you're training competitively, keeping fit or just playing for fun, there's something for everyone.**

## INTRAMURAL SPORT

You don't need to be studying sport to participate in competitions. Our intramural sport (IMS) programme is a great way to meet new people by competing in inter-department and intra-college sports tournaments, playing five-a-side football, dodgeball and more.

## LOUGHBOROUGH COLLEGE SPORT

Loughborough College Sport provides a student-athlete experience in a range of sports from competitive to high-performance programmes, including training and sports science support. Teams can also compete in competitions including Association of Colleges Sport.

## ELITE SPORT

Our Elite Sport programmes help student-athletes to uphold their sporting commitments. This includes studying year-round to reduce the number of study hours per week, allowing breaks to accommodate competitions or training, offering online learning, extended time frames and 1:1 tutorials.

# PROGRESSION ROUTES

## DID YOU KNOW?

81% of employers value employability skills above other factors, including qualification or grade

With so much competition, securing a place at uni or landing a job can be tricky, and exam results aren't enough on their own. That's where we come in! On top of your qualification, we'll help you to develop the qualities and skills you need to stand out from the crowd.

## THE JOB SHOP

Our job shop team will help you to get ahead of the competition, giving you all the training, advice and support you need to achieve your employment goals. With exclusive access to local vacancies and jobs that are rarely advertised, your perfect role could be just around the corner.

The team will also help you to fill out applications and give you plenty of handy CV and interview tips to make sure that employers want to snap you up!

## CAREERS ADVICE

Whether you're thinking about applying for university or entering the world of work, our advisors are here for you. We'll work with you to help you define your strengths, work out your next steps and ensure that you feel confident about moving forward.

## REAL WORK EXPERIENCE

Many of our courses include a work experience element, designed to provide you with valuable hands-on experience. This will really give you the edge on your CV or uni application, as many students leave formal education without any practical know-how.

# WAYS TO LEARN

## DID YOU KNOW?

Universities accept a wide range of qualifications, including BTECs

Once you've done your GCSEs, you've got three main options to choose from. The most important thing is finding the option that suits you best.

## BTECs

BTECs and other vocational diplomas usually last up to two years. They involve a significant level of practical work, as well as completing assessed coursework and, in some instances, taking exams. They carry UCAS points, which are aligned to those for A Levels, so you can still progress to higher education if you wish to. Alternatively, you can pursue employment or an apprenticeship.

## A LEVELS

A Levels last for two years and allow you to focus on the academic subjects that you enjoy the most. It's an academically demanding route and is entirely exam-focused. Students usually progress to higher education, or may pursue employment or an apprenticeship.

## APPRENTICESHIPS

Apprenticeships last between one and four years and are available in many sectors, offering hands-on experience, a qualification and a wage. You can progress from intermediate to higher apprenticeship, ending with a qualification equivalent to a degree. Ofsted rated Loughborough College Outstanding for apprenticeships in June 2017, reporting that our apprentices "exceed expectations and progress to higher-level apprenticeships, further training and education or sustained employment."

# INTERNATIONAL STUDENTS

Studying at Loughborough College as an international student allows you to experience life in the UK while studying for a qualification and developing your English language skills. Full details on fees, accommodation and more can be found at [international.loucoll.ac.uk](https://international.loucoll.ac.uk) or contact our International team on +44 (0)1509 618045 or [international@loucoll.ac.uk](mailto:international@loucoll.ac.uk)

## PROGRESS TUTOR

Every international student is assigned a dedicated progress tutor who will assist you in planning your work and developing yourself academically. Your progress tutor will also help to resolve any issues you may have during your time with us, from academic struggles to personal issues that may be affecting your studies.

## TEACHING SUPPORT

Our teaching staff are experienced in supporting learners throughout the transition to studying in the UK. Students are supported to develop both the language and study skills required for success both during their time at college and in their future education and career paths.

## VISA SUPPORT

Loughborough College is a government approved Tier 4 Sponsor and we are able to provide guidance throughout the whole visa application process. Once you have arrived at the college, our International Student Advisor will be on hand to help you with picking up your Biometric Residence Permit and arranging police registration if necessary.

## DID YOU KNOW?

We offer a range of scholarships for our international students

# QUALIFICATIONS

There's more than one route to success, which is why we offer a range of different courses and qualifications to suit your educational and employment needs. We know that all this choice can get confusing, so take a look at these pages and see what's right for you.

## BTEC OR A LEVELS?

Broadly speaking, if you're interested in learning more about an academic subject, you will need A Levels, and if you're interested in learning more about a sector or industry, you'll want a vocational qualification such as a BTEC. Which one you pick will depend on a range of things.

## ENTRY REQUIREMENTS

You'll need to consider the entry requirements for getting onto your chosen course. Our A Level programme has set entry criteria, although our vocational pathways are slightly more flexible due to the different levels available. Depending on your expected grades, one option may suit you better.

## LONGER-TERM PLANS

You need to give some thought to what you'd like to do once you've completed the qualification. Both options equip you to apply to universities, although certain subjects and certain universities require specific qualifications. Try searching on UCAS for subjects that you're interested in to see what universities are asking for.

# APPRENTICESHIP LEVELS

An apprenticeship offers hands-on experience and allows you to learn practical skills in your chosen field whilst also earning a wage. Our course list (p55) shows the available apprenticeship levels within our subjects.

## 2 INTERMEDIATE

Working towards work-based qualifications such as a Level 2 competence qualification, as well as Functional Skills and (in most cases) a relevant knowledge-based qualification. The qualifications you receive are **equivalent to five GCSEs at grades A-C/9-4**.

## 3

### ADVANCED

You will study one of two types of apprenticeship: Standards or Framework. You will gain a work-based Level 3 competence qualification and, in most cases, a relevant knowledge-based qualification. The apprenticeship Standard will provide you with a nationally recognised apprenticeship certificate. You will also study Functional Skills (as appropriate). An advanced apprenticeship is **equivalent to two A Levels**.

## 4-5

### HIGHER

You'll work towards work-based learning qualifications such as a Level 4 competence qualification, and perhaps a learning-based qualification, Functional Skills, and (in some cases) a knowledge-based qualification such as a Foundation Degree. The higher apprenticeships that we offer can be found on our website.

#### DID YOU KNOW?

Under-19s made up 26% of apprenticeship starts in 2015/16

## 6&7

### DEGREE

You can even achieve a degree-level qualification through an apprenticeship. Degree apprenticeships are helping to build the high-level technical skills needed for the jobs of the future.

The government is committed to expanding the number, range and quality of apprenticeships that offer training to degree level. Not all apprenticeships are available at Higher and Degree level, so make sure to check the full details when choosing your apprenticeship.

# COURSE LEVELS

Navigating all these qualifications and knowing where they lead can be a bit of a minefield. Hopefully this will make things a little clearer.

## ENTRY

Designed to help you to develop basic skills and knowledge, Entry Level courses are ideal if you don't have any existing qualifications.

### For Example:

- Functional Skills
- Certificate of Achievement
- Personal and social development
- Supported work experience

## LEVEL 1

These courses introduce a specific subject or area of work, helping you to develop your understanding under full supervision.

### For Example:

- Functional Skills and GCSEs
- Level 1 Progression Programme
- BTEC Level 1 Award, Certificate or Diploma
- NVQ Level 1

## LEVEL 2

Build your subject-specific skills and knowledge, under some supervision.

### For Example:

- Functional Skills
- Intermediate apprenticeship
- BTEC First Diploma
- NVQ / BTEC Level 2
- GCSEs

## LEVEL 3

At Level 3, you'll refine your skills and knowledge, under minimal or no supervision, in preparation for higher-level study or work.

### For Example:

- A Levels
- BTEC Extended Diploma
- BTEC 90-credit Diploma
- Advanced apprenticeship

## LEVELS 4,5,6&7

These levels are equivalent to the first, second and third year of a "traditional" undergraduate degree. University might not be the right choice for everyone, so there are lots of other options that bridge these higher levels. These include Higher National Diplomas (HNDs), Foundation Degrees and higher apprenticeships, to name just a few. We provide a range of options for progression into Higher Education here at Loughborough College, but we won't bore you with the details just now. Just know that we've got plenty of options here for you when you need them.

# UCAS TARIFFS

When you're choosing your next steps, the differences between levels and grades can be confusing. If you're applying to university, you'll need a minimum number of UCAS points, depending on the course you're applying for. These tariff tables will help you to understand exactly what your grades mean and where they can take you.

## DID YOU KNOW?

95% of universities and colleges in the UK accept BTEC students, including universities from the Russell Group.

# OPTIONS FOR EVERYONE

At Loughborough College, we welcome students of all ages. Alongside our Further Education provision, we offer a variety of Access to Higher Education, professional, and degree-level courses, designed to enhance your earning potential.

## PRE-ACCESS

If you'd like to enter Higher Education but are missing key qualifications which prevent you from meeting Access entry requirements, such as GCSE Maths or English, a Pre-Access course can help you to fill in those gaps.

## ENGLISH & MATHS

All of our full-time learners are required to achieve either GCSE English and Maths grades of at least 4/C or Functional Skills in Literacy and Numeracy at Level 2. If you haven't achieved these grades before you come to college, you'll be enrolled onto either GCSE English and Maths or Functional Skills, depending on your prior achievement level. This requirement is applicable to all colleges nationally. Employers and most universities will ask for English and Maths at these grade levels as a minimum.

## ACCESS COURSES

If you're over 18 and want to study a degree-level qualification but don't quite meet the formal entry requirements, an Access course could be perfect for you. They're designed to prepare you for Higher Education courses in a variety of disciplines.

# FEES & FUNDING

Please refer to the grey columns in the table below if you are:

- In receipt of JSA or ESA (WRAG) OR
- Unemployed and on other benefits OR
- Employed and earn less than £15,763.50 annual gross salary

★ Free!   ★ Course fees payable   ★ Advanced learning loan available

★ Our installment plan allows you to split the fees into up to 4 payments. A bursary fund is also available, covering up to 50% of course fees, up to the amount of £750 (if you meet the eligibility criteria). This fund can also help with course costs, e.g. travel, stationery, childcare, kit or uniform.

★ Many of our courses are eligible for funding, meaning that you would not need to pay tuition fees. For the full list of funded courses, contact student recruitment on **01509 618375** or **studentrecruitment@loucoll.ac.uk**

★ If you are not eligible to claim funding, the alternative is to apply for an advanced learning loan. These loans are ONLY available for level 3 and level 4 courses and will cover the cost of your tuition fees.

**PLEASE NOTE:** This information applies to students who have resided in the UK/EEA for the past 3 years and are eligible for home funding. If you are classed as an international student, other fees may apply. Please contact the Student Recruitment team.

**PLEASE NOTE:** The table provides generic funding guidance. To ensure that you are entitled to funding, we will fully assess your eligibility prior to enrolling you. Please ensure that you provide all prior qualifications held when asked to do so, as the college will retrospectively charge tuition fees should differing circumstances come to light.

## AGED 18+ AND INTERESTED IN ENGLISH OR MATHS COURSES?

Adult English and Maths courses (functional skills and GCSE) are funded courses. These courses are FREE if you haven't previously passed the qualification.

This information is based on current government funding guidelines for September 2019 entry and may be subject to change.

# APPLICATION PROCESS

1

## RESEARCH

Get a better idea of what courses we have on offer:

- Look on our website
- Come to our open days
- Read our course booklets

2

## SUBMIT AN APPLICATION

Initially, we can only log up to two choices for your application. Please apply using just one of the following methods:

- Online
- Paper
- Your current schools application system

3

## ACKNOWLEDGEMENT

We'll send you an acknowledgement postcard to let you know that we've processed your application and what you can expect next. You should receive this 5-10 working days after application.

4

## ATTEND AN APPLICANT EVENT

We'll invite you to an event specifically for the course(s) you're interested in. Parents or guardians are welcome to come to this one too! You need to attend one of these events in order to get an offer to study with us.

5

## RECEIVE AN OFFER

Once you've been to your applicant event, you'll receive a conditional offer. Conditions will be based on meeting the course entry requirements. We'll also send you an 'accept my place' certificate, so make sure to let us know whether you'd like to accept your offer within 30 days, in order to secure your conditional place.

ONCE YOU'VE ACCEPTED  
YOUR OFFER...

6

## APPLICANT TASTER DAY

Spend a day or two at college at the start of the summer holidays. Here, you will take part in activities relating to your chosen course and experience what it's like to be a student at Loughborough College.

Attending this event is a necessary step in securing your place at college.

9

## REGISTRATION AND ENROLMENT

Once you've received your GCSE results, you'll be invited to come in to see us to sign up for your course. Specific details will be sent to you in your induction pack.

7

## FUNDING & SUPPORT

Over the summer, we'll send you information about our Bursary Fund. Everyone who has applied will automatically be sent an application form. All you need to do is complete and return the form to us with the appropriate evidence. Aged 19 or over? We'll send you a fees and funding pack, including information about funding options and Advanced Learning Loans.

10

## START YOUR COURSE!

8

## INDUCTION INFORMATION

We'll send you an information pack with everything you'll need to get you ready for the start of your course in September. This will include your enrolment allocation, course costs, and kit and uniform ordering information (if appropriate).

As course places are limited, if you are unable to make an event when invited, please contact:

# FAQs

## I'M INTERESTED IN A LEVELS BUT I'M NOT SURE WHICH ONES

That's okay! We know that deciding on A Levels can be a long process and that you can change your mind—a lot. When you initially apply, we'll ask you for your options, but you're not tied down to these subjects. We'll confirm your final choices at a later date.

## WHAT FUNDING IS AVAILABLE FOR TUITION FEES?

There are no tuition fees for full-time students under 19 who are enrolled on a Further Education course. If you're over 18, see page 46 for guidance.

## I NEED EXTRA SUPPORT WITH MY STUDIES. WHAT HELP CAN I GET AT LOUGHBOROUGH COLLEGE?

There are staff on hand to help you with your academic progress. Our specialist advisors can also help with additional requirements, and we have a fantastic team of learning support assistants who can provide in-class assistance.

## WHAT HAPPENS IF I DON'T GET THE GRADES I WAS EXPECTING?

If you don't get your predicted results, don't panic! Our Student Recruitment team is on hand to help, and we'll make sure that we find another course that is suitable for you.

## CAN I WORK A PART-TIME JOB WHILST STUDYING?

We recommend no more than 8-9 working hours per week. Research has shown that 10+ hours can negatively affect academic achievement, so make sure you're prioritising correctly.

## CAN I SPEAK TO SOMEBODY ABOUT THE COURSES YOU OFFER?

Yes, we have a dedicated Student Recruitment advisory team who will be happy to provide you with the information on our courses and answer any questions you may have. Give us a call on **01509 618375** or e-mail us at **studentrecruitment@loughcoll.ac.uk**

## CAN I CHOOSE TO DO ANOTHER COURSE IF I CHANGE MY MIND?

Yes. You can change your course before enrolment by contacting the Student Recruitment team on **01509 618375**. If you've already started your course and find that it isn't right for you, don't worry; there will be opportunities for you to discuss suitable alternatives.

## DOES THE COLLEGE OFFER FINANCIAL HELP?

We offer a bursary fund to help with additional costs associated with your course, such as transport, kit or uniform, and childcare costs. Eligibility is based on household income. You don't need to request a bursary application form, as they are sent to everyone who has applied to study with us (usually in July/August). Further information is available here: **[www.loughcoll.ac.uk/student-services](http://www.loughcoll.ac.uk/student-services)**

## WHAT'S THE DEADLINE FOR SUBMITTING AN APPLICATION?

As a college we would advise you to apply by 31<sup>st</sup> May 2020. This will allow you to get the most out of what we can offer you, helping you to make the important decisions about the courses you're interested in. However, we will however continue to consider applications made after this date.

# EASY TO FIND

For detailed maps, timetables and information on how to get to Loughborough College from other parts of the UK or abroad, visit the 'How to find us' section of our website.

## TRAIN

Loughborough train station connects regular rail services from Leicester, Nottingham and Derby. The Ivanhoe line offers direct travel and also serves several of the smaller villages between Leicester and Loughborough. The station is about 25 minutes' walk away from campus, or there's a shuttle bus running every ten minutes to save your legs.

For everyone aged 16 and 17, the **NEW 16-17 SAVER RAILCARD** can be purchased for £30 and will offer a **50% discount** on rail travel, making it cheaper to get to school, college and work.

## CAR

With the M1 only three miles away, you can get to us easily from all over the country. Parking permits are available for a fee, but parking is on a first-come, first-served basis. Due to the limited amount of spaces, local students aren't permitted to park, except in special circumstances.

## BUS

We're connected by regular direct buses running from Leicester, Nottingham, Derby, Melton Mowbray and Ashby. Visit **[www.traveline.info](http://www.traveline.info)** for more details. We may be able to help with travel passes—give us a call on **01509 618375**.

## WALK

We're only a ten-minute walk from Loughborough town centre, 25 minutes from the train station, and 15-20 minutes from the Baxter Gate/Swan Street bus stops. We even have secure on-site bicycle storage.

# TOWN MAP

Loughborough is a buzzing market town with loads on offer for students. Whether you're looking for shopping, clubbing, eating or getting in touch with nature, Loughborough has it all.

## DID YOU KNOW?

You can travel from  
Loughborough to London in  
just 77 minutes on the train

# BUS PASSES

Loughborough's central location makes it really easy to get to and from anywhere in the East Midlands. See our bus map overleaf for routes. For the most up-to-date prices and information, visit the bus operators' websites or [www.traveline.info](http://www.traveline.info)

**Please note:** Bus passes must be bought directly from the bus operator and are not available from Loughborough College.

## TIPS

Many bus companies offer travel passes covering wider zones, or passes allowing low-cost travel across multiple bus operators.

Kinchbus sell travel passes covering Loughborough town only, giving a cheaper option for local students.

Paying the full cost up front gives the biggest overall discount, while paying monthly by Direct Debit offers more affordable payments.

## TRAVEL SUBSIDY

A subsidy is available from the college to cover the cost of public transport. It can be used to pay for daily, weekly, monthly or annual tickets. For full details or to apply, e-mail the Bursary team: [studentfinance@loughcoll.ac.uk](mailto:studentfinance@loughcoll.ac.uk)

## ARRIVA

Covering Coalville, Ashby-de-la-Zouch and Leicester, along with the smaller towns in between. Academic year passes can be paid for up front or by Direct Debit and offer 24/7 travel. **0344 800 4411** or [www.arrivabus.co.uk](http://www.arrivabus.co.uk)

## KINCHBUS

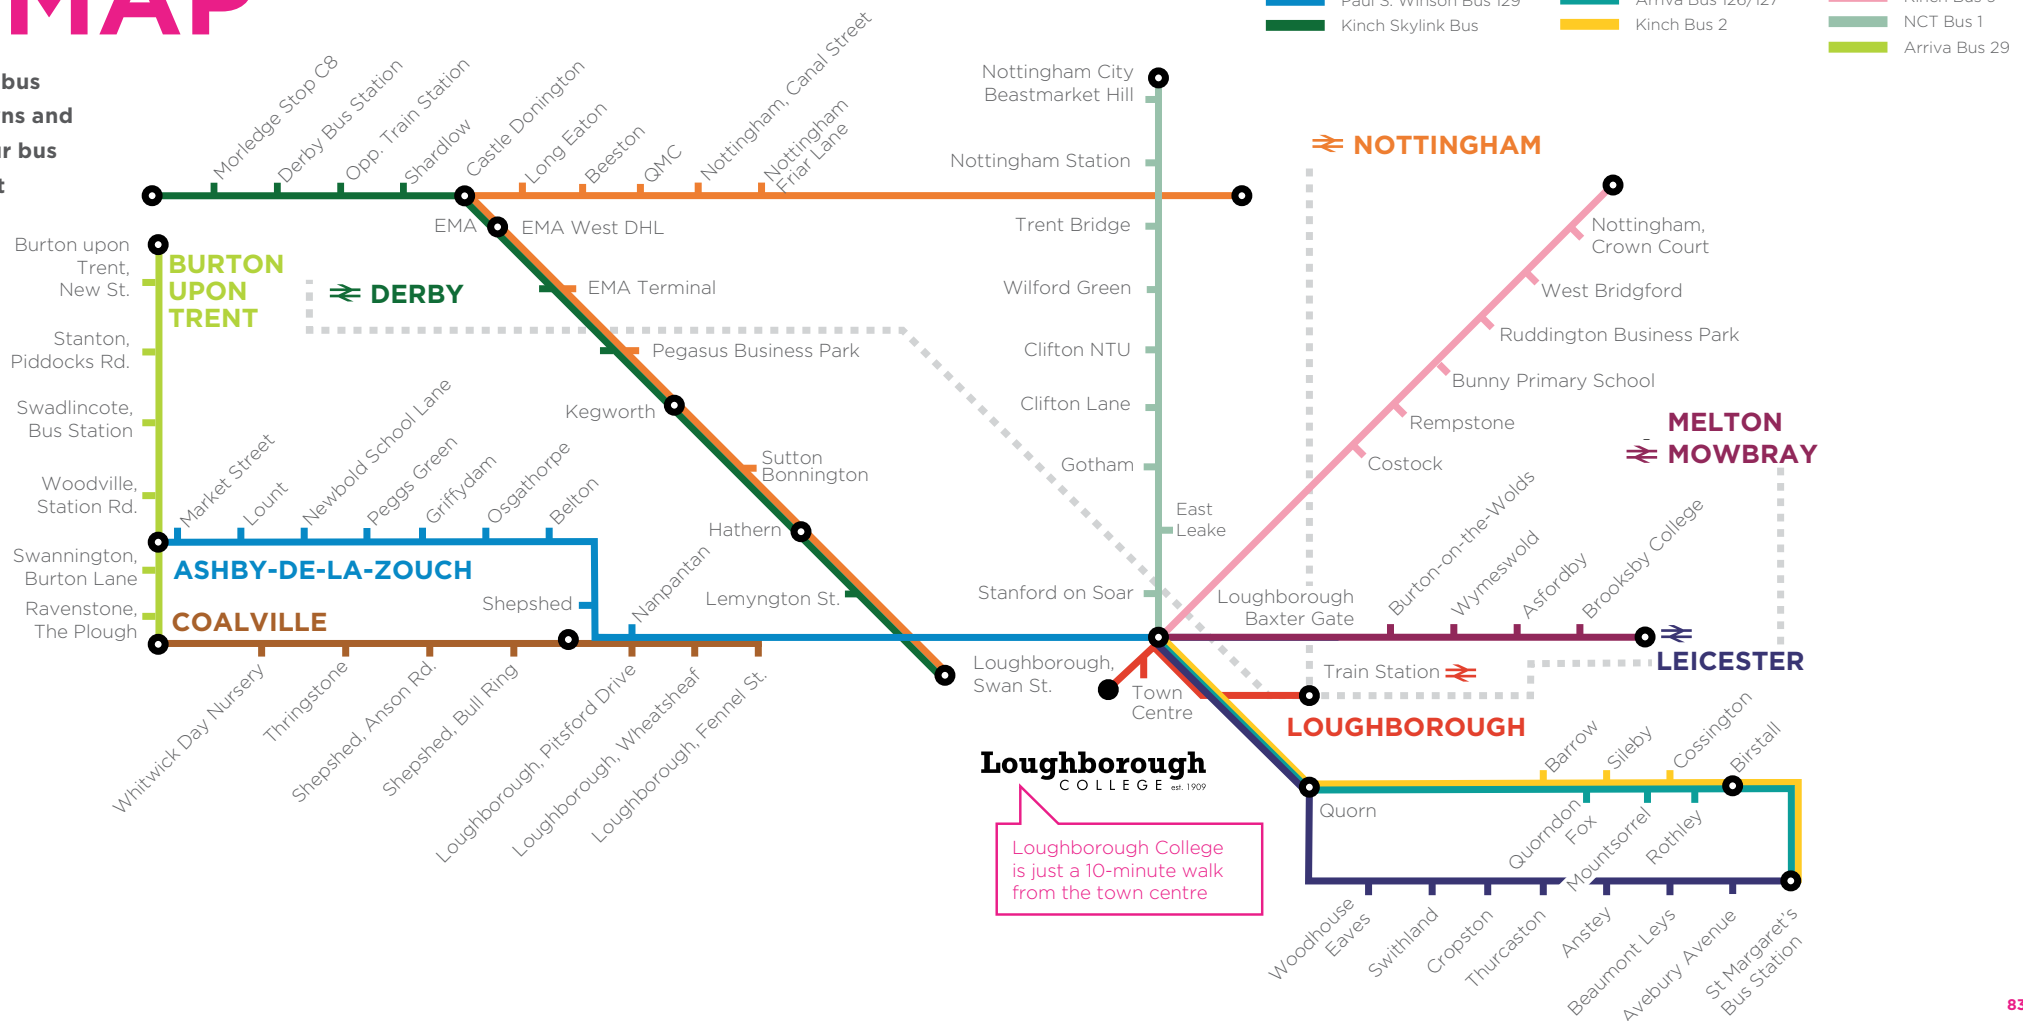

Covering Derby, Nottingham, Loughborough and Leicester, including Skylink buses. Combined Kinchbus and trentbarton student passes are available, covering more of Nottinghamshire. Academic year passes can be paid for up front or by Direct Debit and offer 24/7 travel. For a special discount, contact Kinchbus customer services and tell them that you are a Loughborough College student. **01509 815 637** or [www.kinchbus.co.uk](http://www.kinchbus.co.uk)

## PAUL S. WINSON

Covering Asby-de-la-Zouch and Shepshed, this operator only offers daily tickets. **01509 232 354** or [www.winsoncoaches.co.uk](http://www.winsoncoaches.co.uk)
