PRESENTATION

Enhance your French language proficiency

Prepare yourself for university life in France

PROGRAMME PROFILE

This program is designed for students who aim to study in France either at a university or at a graduate school (école supérieure).

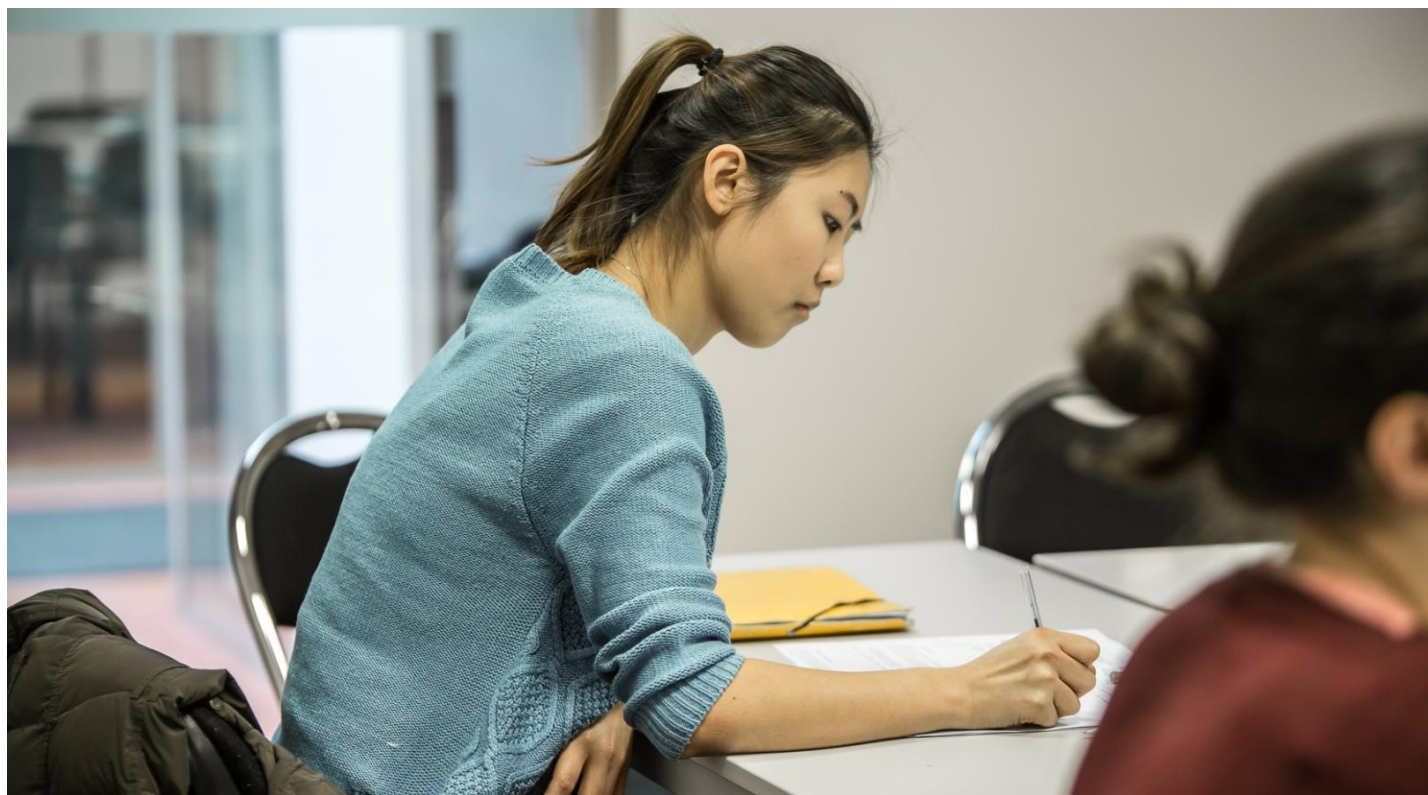

In taking this course, you will achieve the following objectives:

- develop a better understanding of the cultural environment you will encounter in your higher studies
- improve your French language skills and enhance your confidence
- acquire the necessary study methods and work techniques that will allow you to follow a university program in France with greater ease

This program is comprised of two parts:

The first part will help you perfect your language skills in French.

The second part will focus on ways to better integrate yourself in university studies in France.

ACCOMMODATION AND ACTIVITIES

Lyon Bleu is pleased to offer various accommodation options and activities to make your stay in Lyon more rewarding and exciting.
