ENGLISH FOR BUSINESS

15 or 20 hours of tailored business classes, led by experienced teachers, aimed at providing students with the skills they need to work effectively in an English-speaking business environment.

GENERAL ENGLISH

Our General English courses provide you with the confidence and skills you need to communicate effectively in English. From beginner to advanced, these classes are aimed at improving students' reading, writing, speaking, and listening using a communicative approach.

ONE TO ONE

Our one-to-one classes highlight an individual's areas for improvement and provide opportunity to work on personal needs. An individual learning plan is negotiated between the teacher and the student, ensuring that the students' needs and requirements are met.

OUR OTHER COURSES

PRESESSIONAL COURSE

Our Preessional Course is tailored towards students who wish to study at a UK university without the needs for an IELTS score. At MC Academy, we aim to improve the English progress of our students to reach the level required for acceptance onto their chosen course.

IELTS PREPARATION

Our IELTS Exam Preparation classes provide students with the skills and techniques necessary to achieve their desired grade when applying to a UK university. The IELTS preparation course at MC Academy aims to allow students to:

- Learn how to use exam strategies and techniques.
- Take practice exam papers.
- Receive constructive feedback.

CAMBRIDGE EXAM PREPARATION

Our Cambridge Exam Preparation Course is intensive and will provide you with all the language and skills practice you need to be thoroughly prepared for the exam.

Our courses are timetabled to co-ordinate with the exam dates, help students talk about a wide range of topics, express themselves clearly and reasonably, fluently understand serious journals and newspapers, and help them understand the general meaning of academic texts.

The course will also enable students to write clear, well-structured, and detailed pieces of writing, including reports and articles on more advanced topics.

CELTA TRAINING

THE COURSE

Our CELTA is one of the most widely-taken qualifications of its kind. It is highly respected and gives you the skills you need to teach English anywhere in the world.

INPUT SESSIONS

Trainees participate in task-based workshops, lectures, and practical activities focusing on learner awareness, language analysis, phonology, career development, and methodology.

ASSESSMENT

While there is no examination, assessment is continuous and is carried out by the course tutors, with a visit from a Cambridge assessor who ensures that tutors work in accordance with the guidelines.

ACCOMMODATION

At MC Academy, students are our priority.
We offer a variety of accommodation options to suit every students' needs!

HOMESTAY (HOST FAMILY)

Our homestay hosts are inspected to British Council standards so you can be sure that you will be treated as a member of the family and share meals and common living areas with them. There will be no more than four students accommodated in homestay accommodation at any one time.

HALLS OF RESIDENCE

Most are located close to the city centre and they provide an opportunity to mix with interesting and enthusiastic students from around the world. You will normally have a private bedroom in an apartment which you share with a number of other students. Some halls have private bathrooms whilst others have shared facilities. There will be other shared amenities such as kitchens and common rooms.

SOCIAL PROGRAMME

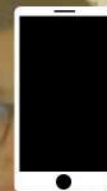

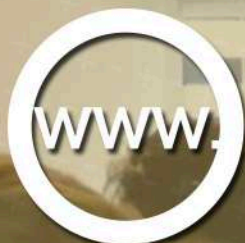

LEARNING & SOCIALISING

The academic side of MC Academy is complemented by a vibrant and fun social programme. We believe that excursions, parties, and social events not only allow students time to relax, but also enable them to use their new language skills in realistic and enjoyable situations.

Regular events include excursions to football matches, local museums, and galleries, as well as in-house fun where students have the chance to make friends outside of their classrooms. This is what we call:
Language Development through Social Interaction.
