Our A-Level Revision courses are the best way to improve your Spanish! You will first have 4 hours a day of group classes (including a 15 min. break) appropriate for your level and structured to ensure progress in all skill areas. In addition to this, there are 5 hours a week of A-Level revision classes, with curriculum designed to prepare the students for their Spanish A-Level Exams. These A-Level classes are taught by a teacher with A-Level knowledge and experience and will be specifically focused on areas each student needs to improve on. Added to this there is 1 set hour per day of supervised homework just to ensure the students get the most out of the experience. Before your course starts, we would have you do a level test to determine both your general Spanish level and strengths and weakers area in A-Level Spanish. You will experience plenty of role plays, dialogues and communication activities during our courses and all our classes are of course taught in Spanish to ensure a total immersion experience.
