The Heart of England

Study Programmes

The Heart of England Study Programmes is an established language school offering group study and tour programmes for school groups with and without English language courses. We have over 20 years' experience in organising such courses so you can be sure your students will be happy!

Our English language courses are set in the beautiful Heart of England. This area is famous for being the home of William Shakespeare, Warwick Castle, Oxford, Birmingham and The Cotswolds. It is also an easy train or coach ride to London.

We have organised a wide range of ESL and tourism based courses for many schools, all individually designed to suit the specific requirements of the group leaders. Some of the more unusual activities we have arranged so far include country walks, church service and temple visits, an Indian Day including Bollywood films, meals and cultural visits and Morris Dancing workshops. If you want to do it, we will arrange it!
