Welcome to TIS Young Learners Academy

Torquay International School has been providing outstanding English tuition to students from all over the world for 45 years. The Young Learners Academy draws on this wealth of knowledge and experience to offer a range of programmes, combining English language tuition with a variety of activities and excursions, all designed to expand and enhance the learning experience. This all takes place in and around the beautiful seaside resort of Torquay at the heart of 'The English Riviera'.

Top quality tuition

Weekday mornings are spent in lessons with an hour and a half of grammar-based English classes before morning break, followed by more relaxed communication-based classes until lunch. This approach is designed help students quickly progress no matter what their level of English.

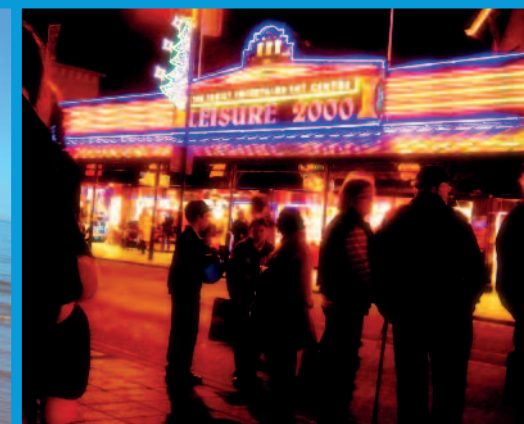

It's not all work!

Weekday afternoons are filled with 3 hours of workshops, activities and excursions, allowing the students to have fun as well as using their newly learnt language skills. Each week there are two afternoon workshops, such as Arts & Crafts, Film Club, Music & Song, English Literature, Drama and Conversation Club; two activities, such as football, volleyball, pitch & putt, rounders, kayaking, tennis or swimming; and one afternoon excursion, such as a visit to a water park, Paignton Zoo, the Living Coasts Zoo and Aquarium, or a Boat Trip.

Evenings are mainly spent with the host family, except for two activity evenings, which may include ten-pin bowling, a traditional meal of fish & chips, a disco, a folk night or a BBQ. On Saturday there is a full-day excursion further afield, to Exeter, Bristol, Plymouth Aquarium or the Eden Project.

Your stay with us

Torquay

Torquay is the largest town in the English Riviera and has been welcoming international visitors for over a century. The town offers excellent educational and leisure opportunities for young people, and has an attractive harbour and fantastic golden sandy beaches. Torquay is also the perfect base from which to explore this historic and beautiful region.

Our School

Located within walking distance of the town centre, our school is a safe and welcoming place for young students. Our experienced staff offer support and advice to all students and our classrooms are well-equipped, light and airy. There are dedicated areas for our Young Learners to relax and socialise during their time outside of lessons.

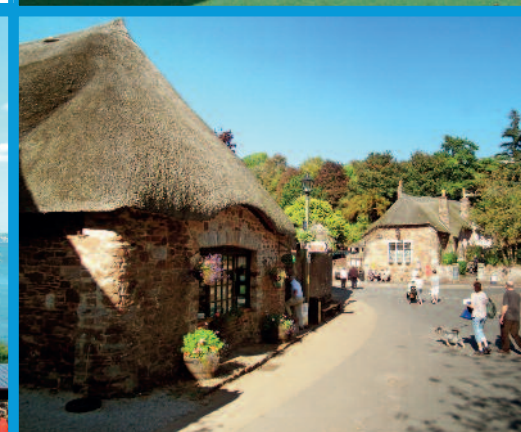

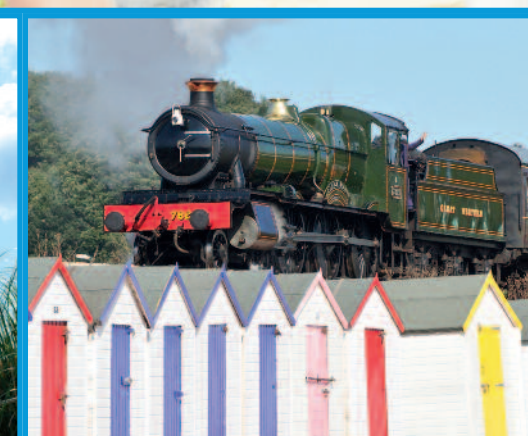

Accommodation

Homestay is our most popular accommodation option and is especially recommended for younger students. Our hosts are carefully selected for their friendly and caring nature, and we try our best to match each student with the perfect family for them. All our homestays aspire to be excellent hosts and are in regular contact with our Accommodation Manager. This is the "full immersion" option, allowing students to practise their English at home with their local family and also to learn about the British culture and way of life.

Welfare

The welfare of our students is a top priority for us. Our dedicated and experienced Welfare Manager will meet all students on their first day and will be available to all under-18 students throughout their stay. We have an excellent staff-to-student ratio to make sure that we give our students the best care and attention possible. We also provide a 24-hour emergency number for all students and parents in case of any problems at any time.
