Students will meet these main goals:

- Identify main ideas, supporting details, and genre of given readings
- Discuss perspectives of a fiction or non-fiction work to support claims
- Develop academic vocabulary through word study and context clues
- Learn to accurately summarize information and paraphrase texts

### ACADEMIC WRITING

**COST: \$400\***

- Students will meet these main goals:
- Understand and experience each step of the writing process
- Identify different kinds of compositions
- Learn to organize information into structures that build successful paragraphs and essays

### TOEFL PREPARATION COURSE: iBT (INTERNET-BASED TEST)

**COST: \$400 + \$21.95 for the Official Guide to the TOEFL Test, Fourth Edition\*\***

Students will meet these main goals:

- Better understand the format of the TOEFL iBT test and its individual sections
- Develop reading, writing, speaking, and listening skills required for success on the test
- Learn strategies for time management and other test-taking skills that will improve performance on the exam
