BARCELONA

The joy of Barcelona is that there are so many places to visit, so much to see, so much to experience, just so many sights, sounds, feelings that on a visit to this place a person simply cannot fulfil everything that there is on offer and you will whilst still there already be planning a return visit.

Plenty of places to visit: Sagrada Familia, Casa Milá, Puerto de Barcelona, Las Ramblas, The gothic Quarter, Camp Nou, Port Aventura, famous beaches....

THE RESIDENCE

It's completely NEW and has everything to offer to both our international and Spanish students. The camp residence has very high standards of quality and its services are almost like in a hotel.

LODGING AND FOOD

Our students stay in single or double rooms with private bathroom and air- conditioning. The residence includes swimming pool, several classrooms, wifi,

restaurant, TV saloon, magnetic card, Gym, Laundry...and has also adapted rooms for disabled guests. In our restaurant there is the possibility of menus based on the traditional Mediterranean diet and can prepare celiac, lactose free or vegetarian menus.

ACADEMIC PROGRAM

In our summer camp the programs include 20 classes of Spanish per week, from Monday to Friday in small classes according to the students Language levels. The Spanish level will be assessed on the first day of class with a test

and the progress of the students will be monitored throughout their stay. Teaching staff are university qualified with extensive experience in teaching foreign languages.

The following are taught at all levels: the 4 communication skills (listening, speaking, reading and
