

## Costa Blanca Summer Camp

MULTI ACTIVITY PROGRAM

**Top Summer Camp • Over 60% Spanish Students • Spanish or English Classes • Native Teachers • Fun Activities and Excursions**

## Costa Blanca, Alicante

**Ages: 8 to 13 years old**

**T**he Costa Blanca Summer Camp is held at the facilities of the prestigious Lope De Vega International School, located in an elegant residential district of Benidorm, the famous coastal town of the renowned Spanish Costa Blanca, in a dynamic and safe setting only 1,500 metres from the world-famous Levante Beach.

The School campus comprises an area of 25,000 m<sup>2</sup>, featuring modern buildings and functional spaces which house the academic and recreational infrastructure and the residential halls where the students will reside. Founded in 1956, the

Lope de Vega International School has progressively attained and consolidated its position of excellence in the ranking of the best Spanish schools. Today, it is a leading institution in the field of international education, welcoming students from more than 20 countries each year. The Costa Blanca Summer Camp offers an excellent combination of study and fun. A language course accompanied by a comprehensive recreational, social and sports programme including many activities, workshops, sports and excursions to amusement parks and other places of interest.

## FACILITIES

The Costa Blanca Summer Camp is held in a dynamic, comfortable and completely safe setting. The school complex houses:

- Comfortable and fully-equipped classrooms.
- Computer lab
- Dining hall
- Auditorium
- Gymnasium
- Residence Hall
- Multi-purpose sports centre
- Semi-Olympic swimming pool with lifeguard
- Tennis and paddle-ball courts
- Football pitches
- Games area
- Café with an outdoor patio
- Drinks machine
- Laundry service
- Parking.

## ACCOMMODATION

Assigned to rooms according to sex and age, students will stay in the school's residence halls in comfortable and light-filled double or quadruple rooms with private bath and air conditioning. There are also rooms for students with reduced mobility. The camp staff will stay in the same residence hall, in nearby rooms. This ensures that all students will be monitored and supervised throughout the entire duration of the programme, 24 hours a day. Rooms are cleaned and towels are replaced daily. Bed linen is replaced twice a week.

## MEALS

The programme includes: breakfast, lunch, afternoon snack and dinner (\*). Meals are carefully prepared based on the nutritional principles of the Mediterranean diet, with an aim to ensuring a varied and balanced diet for students with an appropriate calorie intake.

The School also offers meals for students with qualitatively different needs, such as those with allergies and/or food intolerance, diabetes, gluten-intolerance, etc.

The School's nursing staff will personally be responsible for supervising meals for students with special nutritional needs, ensuring that all medical instructions or guidelines provided by parents are scrupulously followed.

(\*) During full-day excursions, students will be given a packed lunch.

## THE COURSE

The language course consists of 20 classes per week (English or Spanish), offered from Monday to Friday, 9:30 am to 12:30 pm (with a half-hour break from 10:30 am to 11:00 am), for groups of no more than 15 students. Each class lasts for 45 minutes.

On the first day of the course, a placement test will be given to students to assess their language skills. They will then be placed in the course that best suits their language level.

The teaching staff is made up of highly-qualified native teachers with extensive experience in Spanish or English language teaching for foreign learners.

## TEACHING METHOD

The classes are enjoyable but also rigorous. All of the language skills will be practised (listening, reading, speaking, writing) placing special emphasis on communication. The aim is to help students transfer the abilities and skills they possess in their native language to English or Spanish.

## CLASS MATERIAL

Specifically designed for this course, it is divided into 6 levels, from beginners to advanced.

## NURSING STAFF

The Costa Blanca Summer Camp staff includes a nurse who is in charge of ensuring that any special instructions or medical prescriptions provided by parents are followed. Some of the more common examples being special diets, allergies and/or food intolerances, as well as any medication students may need to take at a specific time each day.

## ACTIVITIES

Activities are an essential part of the Costa Blanca Summer Camp. Organised and supervised by qualified staff, their aim is to encourage participation, promote teamwork, and foster students' skills. They are offered in the form of workshops, games, competitions and contests in teams during the afternoon and after dinner.

## CONTINUOUS SUPERVISION

Students will be supervised continuously by teachers and monitors. There will be one monitor for every 10 - 12 students.
