

CAMBRIDGE LANGUAGE & ACTIVITY COURSES

Residential English Summer Courses for 8 - 17 year olds

Welcome to CLAC

Cambridge **L**anguage and **A**ctivity **C**ourses has been running international residential summer language courses for over 30 years.

We are a family company who genuinely care about our students. Our aim is to give them the best learning experience combined with the highest quality care.

We believe language learning should be fun, so our courses combine traditional language lessons with inspiring interest based classes,

an exciting social programme, unique **CLAC** events and a full range of sports, activities and memorable day trips.

CLAC students are guaranteed to get an all round English experience of a lifetime.

Learning

Students receive 18 hours of English classes per week. All of the **CLAC** English teachers are chosen for their enthusiasm and personality in the classroom, so students can be sure they will enjoy their lessons and improve in the language at the same time.

Main benefits of learning at **CLAC**

- Small classes. (Maximum 14 students per class)
- Fully qualified native English teachers
- Learning in a multicultural environment
- Emphasis on communication skills
- Timetabled classes in both the morning and afternoon

Slindon College

for 13 - 17 year olds

Slindon College has been popular with **CLAC** students for 20 years. Located in a charming English country village, 4km from the town of Arundel and with views of the sea, it has space and facilities perfect for teenagers. The courses are friendly and fun with a high standard of teaching and entertainment.

With a maximum of 90 students and around 20 nationalities there is ample opportunity to practise language skills and make friends from around the world. Students have a full social programme but some activities are optional, giving them the chance to plan their own time and experience more freedom.

Facilities include

- Large heated outdoor swimming pool
- Tennis, Basketball, Volleyball and Squash courts
- Extensive sports fields for football, cricket and outdoor games
- Art and Craft studio, Cookery room

Special Features

- Weekly themes and special CLAC events
- Sports Tournaments and Competitions
- Video and Photography activities
- BBQs, Camp fires and Disco evenings

“ I don't even miss my family. Being at **CLAC** is like being at home,

Bianca, Italy

Social Programme

The Social Programme provides an opportunity to relax, meet up with friends and practise speaking and listening in a natural environment.

Every afternoon after classes there are sports, excursions and activities that make the most of what **CLAC** and the surrounding area have to offer.

In the evenings the Social Team arranges games, tournaments, parties, quiz nights, discos, film nights and shows where students can socialise with their friends from around the world.

Once a week there is a full day trip to a nearby city or place of interest, such as London, Brighton or Portsmouth. Throughout the week there are also shorter day trips to local towns and attractions or to activities such as mountain boarding, cinema or paintballing. Some of these activities may have a charge but there will always be a free on-site activity available at the same time.

Experience The CLAC Hour

The CLAC Hour is a specialized class three times per week from 2 to 3pm. Its purpose is to increase the motivation of students to practise their English through specific interests.

Whether students are learning for fun or preparing for school exams, by engaging them in the language they are learning, **The CLAC Hour** can significantly increase confidence and accelerate progress. Students can choose from a variety of free or paid options; one option each week.

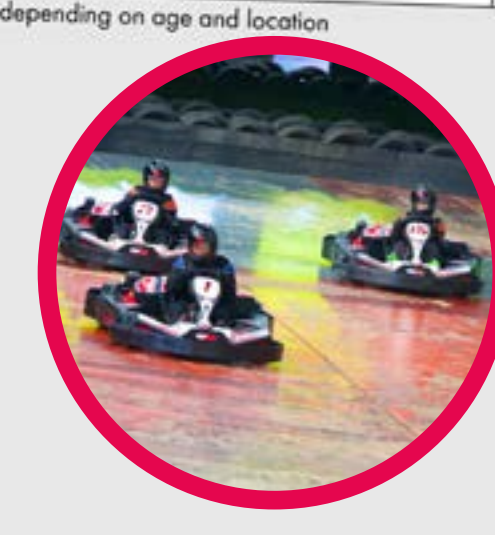

Options to choose from:

- CLAC Classics
- Social Media
- Tennis Coaching
- Football Coaching
- Cookery
- Self Defense
- Professional Dance
- Health and Fitness
- Career Preparation

The CLAC Hour choice is made via the application Booking Form prior to arrival.

"You never get bored, you always have something fun to do,"

Pierre, France

The CLAC Way

A **CLAC** course is designed around speaking English all day – from breakfast until bedtime – that's around 100 hours of English each week.

A **CLAC** course has friendly teachers who know their students' needs and focus on language that they can use both in and out of the classroom.

A **CLAC** course optimises exposure to English in every aspect of its programme to promote greater confidence and fluency in everyday language.

A **CLAC** course has one staff for every four students to give top quality personal attention to each and every child.

A **CLAC** course has 24 hour supervision with all staff and the Director living on site.

A **CLAC** course gives students an exceptional level of welfare care – and parents exceptional peace of mind.

*‘Every **CLAC** student is a valued member of the **CLAC** Family,’*

*‘**CLAC** is not just a great way to learn English in class, it's also a way to practise by having fun and talking with new friends,’*

A **CLAC** course is not only about making good progress in English.

A **CLAC** course is also about a child's personal development.

A **CLAC** course is the perfect environment for a child to feel safe and relaxed, to make new friends, exchange ideas and widen horizons.

A **CLAC** course offers students the opportunity to make friends of many different nationalities and speak English all day long.

A **CLAC** course does not accept large groups of any one nationality and limits the number of same-language students.

*‘At **CLAC** children gain self-confidence and self-awareness,’*

*‘A new **CLAC** student is a new **CLAC** friend waiting to be made,’*

Accommodation and Welfare

Both of our courses are held in beautiful, safe countryside schools with good student facilities. Accommodation is full board with breakfast, lunch, dinner and morning and evening snacks. Staff live in the same school building to give 24 hour supervision and on-call care.

Bedrooms and bathrooms are separate for boys and girls. Students share bedrooms with similar age groups, but mixed nationalities in order to encourage new friendships and maximise English speaking.

Included in the fees is bed linen and change each week, personal

student laundry and safe keeping by **CLAC** of student passport, travel tickets and pocket money.

The food on **CLAC** courses is cooked on site and is homely and plentiful. There are 2 hot choices at both lunch and dinner, a vegetarian option and a salad bar with fresh bread and fruit.

The **CLAC** office on each site is open at all times during the day and evening to help students and for parents to make contact.

Arrivals & Departures

The safety of students and peace of mind of parents are **CLAC's** top priority on arrival and departure days. For children travelling from overseas, **CLAC** provides a personal care service at HEATHROW and GATWICK airports.

Transfers are included in the fees for arrivals and departures on scheduled course start and finish dates between the hours of 10.00 and 18.00.

PLEASE NOTE: **CLAC** cannot provide a transfer service for Stansted or Luton airports - they are too far from our schools.

Parents are asked to inform the **CLAC** Office of travel plans at least 3 weeks before the course begins.

Transfers cannot be guaranteed after this date.
