Accommodation

Choosing the right type of accommodation for your stay in London and Dublin, where you feel happy and comfortable, is very important and we have carefully selected a variety of accommodation to meet your individual needs.

Homestay

Staying in a Homestay is our most popular accommodation option and is by far the most cost-effective way of living in London and Dublin. Our hosts are friendly and welcoming, with comfortable homes. We select homestays for their location, the quality and cleanliness of their home and ability to offer a caring 'home from home'. Staying in a homestay is also the best way to learn about English or Irish life and culture and to practise your English.

We can arrange different categories of homestays (standard, premium and deluxe) depending on your budget, meal preference and if you prefer a private bathroom. We can also offer accommodation in a Private Home with access to kitchen facilities. In a Homestay, you can choose from:

Bed & Breakfast – breakfast every day

Half-Board – breakfast and dinner every day (in Dublin, lunch at the weekends)

3 and 4 dinner plan – breakfast every day and evening meal on 3 or 4 days

Homestays in London and Dublin are located in residential areas approximately 20-55 minutes from the school by public transport. They are available all year round and suitable for students, young working people, professionals and families.

You may, of course, prefer to be more independent and we can also offer residences, studios, apartments and flatshares in London and residences and apartments in Dublin. We can arrange hotels in both locations.

Facilities Fee, one payment: £70/€70 per person or £120/€120 per apartment or for 2 people booking together.

Residences

Our residences are the perfect choice for students, young working people and young professionals looking for centrally located accommodation and a more independent stay. Our residences are near to our schools in London and Dublin and may offer either self-catering facilities or half-board and a private or shared bathroom.

Studios and Apartments

Our apartments and studios are suitable for students, young working people and professionals and offer the comforts of a hotel and include private bathrooms and cooking facilities. Studios and apartments are near to our schools in London and Dublin.

Flatshares

In London and Dublin, we can also arrange centrally located self-catering flatshares, with shared bathrooms and kitchens for students and young working people on a budget.

Hotels

Our 3, 4 and 5 star hotels, offering breakfast every day, are carefully selected to offer good value and quality and are close to our schools in London and Dublin. Prices may vary seasonally depending on the time of year.
