PHILIPP WEBER

Founder - fRilingue
Language Learning Camps

I founded fRilingue in 2007 because I wanted to bring young people together and give them the chance to discover, like I did when I was a teenager, how much fun it is to learn a language in a beautiful location with new friends and energetic teachers.

LJUBISA ILICIC

Director - fRilingue
Language Learning Camps

In the summer of 2009 I was looking for a summer camp. I found fRilingue and it changed my life. For me, fRilingue offers the best of Switzerland; a uniquely positive atmosphere, an international environment, breathtaking scenery and clean lakes.

I think that Switzerland is very nice and the thing I liked about the French classes were the projects that we did. Having the classes in small groups is better because the teachers can explain things individually to each student.
