SUMMER LEARNING AT ONE OF THE BEST  
UNIVERSITIES IN THE WORLD

# INTERNATIONAL ACADEMY

The University of Texas at Austin welcomes university students to experience world-class learning through its International Academy. Join the Engineering track and take-part in hands-on learning to solve scientific problems, or join the Accounting track to gain insights on business practices and culture of the US while improving your English.

## FEATURES

- Small class of 15 students or less
- Hands-on, practical experience and experiential learning
- Connect with experts to gain career guidance and field insights
- Improve technical written English and oral communication
- Gain US cultural knowledge
- Prepare for US undergraduate admission
- Enjoy cultural excursions and sightseeing
- Receive a certification of completion

## ALL-INCLUSIVE:

Program includes tuition and fees, health insurance, dormitory, food, excursions, and airport pick-up/drop-off. Students will need to arrange their international flights and personal spending money.

## INTERNATIONAL ACADEMY ENGINEERING

Learn how to identify an engineering problem, conduct research and design an experiment.

- Engineering Physics
- Introduction to Engineering Design
- Oral Communication for Science
- Written Communication for Science

## INTERNATIONAL ACADEMY ACCOUNTING

Learn from US business experts, make company visits, gain skills in US culture, and business English.

- Business English for Oral Communication
- Finance
- Foundations of Accounting
- Written Communications in Business
