STAY

At Oxford English Academy we believe that accommodation is one of the most important aspects of studying English abroad. We therefore carefully choose each of our host families to ensure that they provide a safe and comfortable place for our students to stay. We also encourage them to speak English to students as much as possible so that English learning extends beyond the classroom.

We offer single or sharing host family accommodation, mostly within walking distance to the school. Most families include breakfast and dinner and a private bathroom is also an option. We can also assist students to find alternative accommodation such as hotels and guesthouses, should they require it.

PLAY

At Oxford English Academy we have an exciting and varied weekly social programme that showcases stunning Cape Town and its surrounds. Students can enjoy famous landmarks such as the V&A Waterfront, Table Mountain and Robben Island. In addition they can take part in adventure activities such as safaris, full day tours, tailor-made 3 day tours, shark cage diving and paragliding, to name a few.

TRAVEL

You may be required to apply for a **visa** should you wish to learn English in South Africa. Please ensure that you apply for the correct visa and with enough time before you plan to travel. Oxford English Academy will provide you with an acceptance letter with which you can apply for your visa.

We highly recommend that you get comprehensive travel and medical **insurance** before you arrive at the school. It may also be a requirement for your visa application.
