Cambridge Exams – PET, KET, FCE and CAE.

Cambridge English exams are designed for learners at all levels from the elementary level Cambridge English: Key (KET) to the very advanced Cambridge English: Proficiency (CPE). These exams give candidates proof of their ability to use English in a wide variety of contexts, relevant to work, study and leisure activities.

The qualifications are recognised by thousands of employers, universities and government bodies around the world. Over three million people in over 130 countries worldwide have taken a Cambridge exam.

At Direct English Ireland, we offer exam preparation classes for Cambridge English Key (KET), Preliminary (PET), First (FCE) and Advanced (CAE). Our preparation course develops your reading, writing, listening and speaking skills and allows you to do some practice exam papers.

IELTS – International English Language Testing System

IELTS, the International English Language Testing System, is the world's most proven English test and is designed to assess the language ability of candidates who need to study or work where English is the language of communication. Direct English Ireland IELTS preparatory course gradually builds up the skills, language and test techniques students need to approach the IELTS test with confidence.

Direct English Ireland helps you to develop all the required skills that you need to pass the IELTS exam.

*The course duration and intensity is dependent on the student's needs i.e. current level and desired level. A minimum of 4 weeks is recommended for most exams with 20 hours of classes per week, however shorter or longer courses may be discussed. Please call our office on 021 4241 1131 if you wish to discuss the possibility of shorter/longer courses with the Director of Studies.

TIE – Test of Interactive English

The Test of Interactive English ('TIE') is administered by IELTS Ltd and is approved by ACELS, a service of 'Quality and Qualifications' Ireland – QQI. The TIE exam is designed specifically to meet the needs of all students coming to Ireland to learn and improve their English. It is intended for learners on either long or short courses, with the results issued within 15 working days of the test being taken. TIE is designed to test learners' communicative and interactive skills in both predictable and spontaneous situations. It assesses the students' level of language ability in speaking and writing, with reading and listening skills being tested indirectly through preparation for the tests and through the skills required to interact effectively during the test. After taking the TIE exam, each candidate is awarded a certificate recording their two grades (speaking and writing). Certificates are issued by QQI.

BULATS

BULATS - Business Language Testing Service

Many companies talk about English language training. But in business, you need more than words. You need proof. That's why Direct English now offers you the opportunity during your studies to take the independent BULATS test from Cambridge English Language Assessment – one of the most highly-respected testing authorities in the world. BULATS is used internationally for business and industry recruitment, for identifying and delivering training needs, for admission to business-related courses and for assessing the effectiveness of language courses and training.

Trinity - Integrated Skills in English

Trinity's Integrated Skills in English (ISE) is a contemporary four skills qualification intended for young people and adults – typically at school, college or university. It is also suitable for teachers and other adults who require a respected English language qualification.

Preparing for ISE builds real-life English skills and transferable skills required for academic study and employability.

ISE is available at five levels from A2 to C2 on the Common European Framework of Reference (CEFR) – so there's a level for every student as they progress.

Students can build ISE qualifications over time, taking exam modules whenever they are ready – together, or at different times. After you pass the ISE exam, you will receive an ISE certificate which is recognised in many institutions:
