

FREEDA IS AN INTERNATIONAL LANGUAGE SCHOOL LOCATED IN BARCELONA

We are passionate about languages and we strive to share this passion with others. We will teach you the desired language to the best of our ability. Pick the language you want to speak and master it with us.

LANGUAGES WE TEACH

LEVELS

- A1, Beginner
- A2, Elementary
- B1, Intermediate
- B2, Upper Intermediate
- C1, Advanced
- C2, Proficiency

*French, Italian, German, Chinese upon request

SEMI-INTENSIVE (6H+2H)*

If you want to study and dedicate time to other work/study responsibilities, this course is perfect for you. The course takes place **3 times a week, 2 hours a day**.

* Spanish is complemented by 2 additional hours of grammar and interpretation

INTENSIVE (16+4)**

This course is one of the most productive ways to learn language in a short period of time. **5 times a week, 2 hours are complemented by grammar, conversation and interpretation classes**. Language exchange, sport activities and excursions organized by school will get you deep down into speech practice and faster learning.

** Spanish is complemented by 5 additional hours of grammar and interpretation

PRIVATE

This is the most flexible and efficient form of training, which allows students to quickly achieve their goals in learning the language, taking into account their preferences. **Learning language one-on-one gives instant results** and helps to deal with individual issues, such as linguistic goals, self-confidence, language barrier etc.

DELE/TOEFL PREPARATION

This program is aimed to prepare students for an **official international test in Spanish (DELE), or in English (TOEFL)**. The course is aligned with the requirements for the DELE/TOEFL exam.

BUSINESS

This course is tailored to those, who want to expand business horizons and achieve new business opportunities. This course helps to acquire necessary vocabulary for negotiations and communication, as well as translation skills and business correspondence technique. To apply for the course the command of language should be at least B1.
