

A country to taste. That's Spain!

Spanish, culture and more...

With us you'll find plenty of delicious regional dishes as well as the well-known Spanish tapas and some of the best wines of the world waiting for you.

Co Co Lingua and Cook in Lanzarote join their efforts to offer you a new combined Language-Training, oriented to gastronomy. Here you will learn all the "ins and outs" of the Spanish cookery and you will be able to put into practice your learning and enjoy the theoretical bit.

How does it work?

During 2 weeks, you'll have **Spanish lessons every day** at **Co Co Lingua** to acquire the appropriate terminology and learn about the cooking techniques. You will also learn about the preparation of the recipes, the products used, varied tastes of the Spanish gastronomy and much more...

With a **5-hour workshop a week** at **Cook in Lanzarote**, you will be given "hands-on" training, to experience the joy of cooking and of course, the pleasure of savoring your own creation.

During the workshops, you will prepare typical dishes like potatoes with mojo sauce, Spanish omelette, garlic prawns, almogrote, Canarian corn soup, fried calamari rings amongst many other traditional recipes.

As a recognition for your efforts, you will get your own apron to keep as a souvenir and you'll be provided with an e-book including all the recipes learnt during the course.
