“ Mi tiempo en la escuela ha sido muy bueno! Los métodos de enseñanza son muy divertidos. He tenido profesoras muy simpáticas y también divertidas. La dinámica de la clase está muy bien, todos somos amigos. La ciudad es muy linda y tiene muchos lugares que yo quiero visitar. Me gusta el ambiente en Buenos Aires!

WARM WELCOME

A smooth arrival process is assured with airport transfers, easy housing check-ins and a welcome activity to meet other students.

BREAKING THE ICE

On the first day of class students join an orientation to meet their classmates and participate in activities to get to know each other.

SPANISH CLASSES

Courses are dictated by the communicative method of teaching, so you see rapid and effective progress in your Spanish knowledge.

TIME FOR FUN

It's not all about studying! We encourage students to join our activities, explore their surrounds and be social with their new friends.

MIND-BLOWING EXCURSIONS

From Buenos Aires to Barcelona, discover Latin America and Spain's spectacular scenery and wonderful gastronomy.

EXPERIENTIAL LEARNING

Students can enrich their time abroad with an internship at a company or participate in volunteer work to help the local community.

TEACHING METHODS

COMMUNICATIVE APPROACH

Our methodology prompts students to use the language constantly, conversing and writing in Spanish from day 1.

CULTURAL LEARNING

Intercultural learning is an important supplement to the language classes, allowing students to have a better understanding of other people in a more globalized world.

CLEAR LEARNING GOALS

A clear curriculum and formal evaluations. Before starting your program, you will take a Spanish level exam. According to the number of weeks you take, you will clearly see what language skills are within your reach.

ACADEMIC ACTIVITIES

Students are encouraged to sign up for optional workshops aimed at deepening academic subject areas including phonetics, pronunciation, history, film and more.
