

## Future Focus Institute of Training & Development!

A boutique residential English school in  
Goa, India!

Goa, the smallest yet the richest state in India, is a place where nature speaks to you through its clear water, warm sandy beaches, beautiful white waterfalls and exotic spice plantations.

Goa is on the west of India with coastlines stretching along the Arabian Sea. It is 3,700 square km in size with a population of approximately 1.8 million. The Goan population is a mixture of Hindus and Catholics, with a smaller Muslim population. This former Portuguese enclave on Indian soil is surrounded by the state of Maharashtra and Karnataka.

Goa's state language is Konkani. Goans speak English, Konkani, Hindi, and Marathi. Portuguese is also known by a small segment, especially the elite and privileged class or the older generation which studied in pre-1961 Portuguese-ruled Goa.

Goa is also famous for its rich Portuguese history, primeval places of worship and laid-back farming and fishing villages.
